Zone Renewal at Guiberson Site Favored

Sentiment for the replacement of controls on the land northwest of Palm Springs where Samuel Guiberson planned to build a cement mill was favorable at a hearing before county planning commission at Riverside Tuesday but no decision was reached.

Planners set December 9 for a final hearing on the proposal at which time they will make their recommendation to county supervisors.

Only four persons appeared at Tuesday's hearing which was ended in 30 minutes.

GUIBERSON was not represented at the brief hearing. Tyler Suess, county planner, said that he had notified Guiberson's attorneys of the hearing in plenty of time.

All four of those present at Tuesday's hearing were in favor of replacing controls. Members of the county planning commission appeared to agree with them.

Three years ago at a planning commission hearing when the matter of decontrolling the property was aired, hundreds appeared. At that time planners were opposed to de-control but

PALM SPRINGS, USA, DAY SCHEDULED SATURDAY

Plans have been completed for "Palm Springs, U. S. A. Day"—Saturday—featuring the official dedication of the Palm Springs Airport at 4 p. m. and a gigantic fireworks production "America" at the Polo Grounds at 8 p. m.

Speakers at the dedication will be General Emmett "Rosie" O'Donnell, Mayor Charles Farrell and "Flying Grandma" Zaddie Bunker (oldest woman in the United States to be issued a pilot's license). Music will be furnished by the March Air Force Band.

OPEN HOUSE will be held all day at the airport, which was completely renovated during the summer months under the direction of Mrs. Bunker, president of Aero-Palm Springs, Inc., lessee of the airport.

The Junior Chamber of Commerce is sponsoring the huge fireworks spectacle in the evening at the Polo Grounds in honor of the airport dedication. The fireworks display will tell the story of this country's preparedness for peace, interspersed with comedy and standard set pieces.

FEATURE EVENT contains fireworks imitations of two helicopters, two battleships, a tank and an atomic bomb, all to be displayed at one time, supported by Roman candles and rockets.

Other highlights will be a Dutch windmill, an elephant at play taking a bath, a fireworks replica of Niagara Falls 50 feet long, and a new presentation of the American flag spectacularly displayed in the center of a revolving fountain.

ANOTHER FEATURE known as "Sweet Land of Liberty" will have three pieces fired simultaneously showing likenesses of President-elect Dwight D. Eisenhower, George Washington and the Statue of Liberty.

Jaycees have set up two ticket booths, in front of the Cornet building and the other in the Farmers Market. Tickets may also be purchased from any member of the Jaycees.

The City of Palm Springs received the lease on the section of land for the airport from the Federal Government in 1940 and construction was started by the city in 1941. War was declared and the airport was taken over by the government until 1946 when it was returned to city control.

PLAN FESTIVE PROGRAM FOR EL MIRADOR OPENING

The biggest first night in years—and one unparalleled in desert history—will take place when the El Mirador hotel in Palm Springs holds its grand re-opening December 13.

Reminiscent of the original opening 25 years ago, the glittering, completely renovated \$5,000,000 resort palace will have an "all out" premiere on the big night with Jerry Gray and his orchestra, scores of top ranking stage, screen and society notables and dozens of newsmen representing every news and fan magazine, TV and radio network, newspaper, wire service and newswire in the country.

THE GALA EVENING promises to out-Hollywood Hollywood with the red carpet, searchlights and cutting-the-ribbon-ceremony.

This is the official opening. Actually, however, the El Mirador will be in operation sooner. On November 30 there will be an Open House for Palm Springs residents with inspection tours and refreshments.

FROM DECEMBER 3-6, the hotel will be occupied primarily by hotel stockholders and their guests, however, general reservations are being accepted. These three days will be taken up by receptions and cocktail parties—climaxed on the last night in the El Mirador Room with a large party featuring Bill Bardo and his orchestra.

The afternoons of the 7-14 will

Lawrence Convicted; Must Pay with Life for Slaying

John Henry Lawrence, 37, was found guilty of the slaying of his niece, Kathryn Knodel, 16, by a jury of nine women and three men and the verdict doomed him to death in the gas chamber. No recommendation of mercy was made by the jurors in their verdict.

Kathryn Knodel's body was found on East Ramon road, a few miles from the Village August 21. She had been brutally beaten.

LAWRENCE HAD CLAIMED the death of his niece was accidental. He told several different stories of her death. The slaying took place on a

Start of TV Slated in Ten Days

Initial Service Scheduled for Northern Half

Television for Areas South to Strebe Building

(Photo on Page Two)

First phase of distribution of television in Palm Springs will start within seven to 10 days, on Indian avenue south from the intersection with Vista del Chino to the Strebe building.

This was announced today by Robert Bennett, manager of the Palm Springs Community Television corporation, a subsidiary of International Telemeter corporation.

PERMANENT installation of the coaxial cable has been completed as far as the Racquet club vicinity, and from there a reflex is being used to complete the line to the Strebe building where a studio is being constructed in the projection booth quarters, which will be used as a central point of distribution.

Instead of simply completing the extension to the studio and starting distribution of service from there, a double-rigging is being run from Vista del Chino south on Indian avenue to the studio in the Strebe building, where two cables, one the main unit and the other a feeder cable will be looped.

"THIS WILL PERMIT us to start our distribution at the corner of Indian and Vista del Chino in about seven to 10 days," Bennett said. "The double-rigging saves about a week's time, with the seven to 10 day delay required for installation of amplifiers, cross-arms and other equipment."

Service will be available to all places on Indian avenue in the area covered, and as far off as drop cords can be carried, he explained.

As to areas to be covered after this is completed, Bennett said that the second phase will probably cover Indian avenue from the Strebe building south to Ramon road.

AT THIS TIME, he said all dealers will be provided service. This service will be given all dealers at the same time, he added.

Further extension of service at this time is indefinite, Bennett said.

"It is our desire and aim to

Col. Singleton Villager Missing in Plane Crash

Lt. Col. Lawrence S. Singleton, of North Hollywood and Palm Springs, was one of the 41 military personnel aboard the giant Globemaster transport missing since Saturday in Alaska on a flight from McChord Air Force Base, Washington, to Elmendorf AFB, Anchorage.

Colonel Singleton, who had been stationed in Anchorage for about a year, was returning from a leave to visit his wife, Winifred, North Hollywood, who is assistant producer on both the Jack Benny and Burns and Allen television shows.

He and Mrs. Singleton often visited here before he entered military service, maintaining a residence at 1400 Tamarisk road.

SEMI-WEEKLY SUN RESUMED DEC. 1

Starting next Monday, December 1, The Desert Sun will be issued as a semi-weekly appearing each Monday and Thursday as The Desert Sun and News.

The Sun was founded in 1927, the Palm Springs News in 1935 and the Limelight in 1937, he latter two were merged 11 years ago and The Sun took over The Limelight. News two years ago. It was published as an independent paper, The Palm Springs News.

But for greater convenience to subscribers of both papers it has been decided to issue both as the semi-weekly Desert Sun.

High Toll Taken by Fire Sweeping Motel at DHS

Damage estimated at \$10,000 was caused by fire which destroyed two cabins and routed occupants of four other cabins at Norm's Motel, located two miles west of Desert Hot Springs on Pierson street early Friday morning.

The fire, which started in a vacant five-room cabin, was discovered at 6:30 a. m. and it was estimated that it had a 45-minute start before that, according to Ranger Melvin Miller of the California Division of Forestry.

THE BLAZE SPREAD to the motel office and residence of the manager, but absence of a wind aided in the saving of four other cabins valued at \$6,000.

North Palm Springs Volunteer Fire department joined the CDF unit in battling the blaze, with the fire being brought under control within 20 minutes.

MILLER REPORTED that the probable cause of the fire was probably caused by faulty electrical wiring.

Owner of the motel is Norman Lamoreaux of San Francisco. Wednesday evening, fire of undetermined origin caused \$500 damage to supplies and equipment stored in the custodial room at the Desert Hot Springs school. Discovery of the blaze by Custodian Orville Spang when he arrived at the school to prepare it for adult night classes prevented serious damage, according to Dr. Arthur Hoff, superintendent of the Palm Springs Unified School district.

Household Goods Taken by Burglar

Dr. W. Harriman Jones, 478 Camino Sur, reported to police Tuesday the theft of household furnishings valued at \$99.50 from their home while they were away from the Village this summer.

Post Office Patrons Asked to Speed Mail with Stickers

Postmaster R. M. Gorham is trying out a new wrinkle for the voluminous Christmas mail.

Patrons of the post office are asked to expedite the delivery of their Yuletide mail by separating the local and out-of-town cards and letters before bringing them to the office.

To facilitate this, stickers have been issued, one bearing the wording: "All for local delivery," and the other, "All for out-of-town delivery."

IN THIS MANNER, Gorham said, the sudden heavy increase of mail at Christmastime will aid the swamped post office staff and save them the time needed to sort local and outside mail.

THIS IS CAUSE FOR THANKSGIVING

Villagers will have, at least, one thing to be thankful for today.

They paid from six to 10 cents a pound less for their turkey, according to comparative prices with last year.

Price of tom turkeys averaged six cents a pound less, and of hens eight to 10 cents a pound less.

With all stores featuring the low-priced turkeys, it appears that there was a plentiful supply for all tables.

Six Youngsters Injured in Crash

Six teen-agers were treated at Desert Hospital for minor injuries suffered when the station wagon in which they were riding was overturned in a collision with another car at the intersection of Calle Rolph and Granvia Valmonte at 8:20 a. m., Wednesday.

Five were released after receiving treatment, with the sixth, David Crocker, 15, son of Mr. and Mrs. Francis Crocker, 1051 Granvia Valmonte, being held there for further observation. It is believed that his injuries are not serious.

Others treated were Roberta Steinbeck, 14; Ann Huntington, 16; Dorothy Crowley, 14; Dorothy Crocker, 15, and James Cummings, 14.

Driver of the station wagon was Curry M. Love, Leland Paul was the driver of the other car, owned by R. D. Warner of 527 Calle Marcus.

The station wagon was traveling east on Granvia Valmonte, and was overturned coming to rest on its top in the collision with the car which was traveling north on Calle Rolph.

Hoses Stolen

Theft of two plastic hoses Sunday night was reported to police by Mrs. Hugh Stephens, 745 Morongo road.

Act Now to Save Desert Beauty is Plea of Rink

Citing Los Angeles as an example of what can happen, City Manager Russell Rink of Palm Springs warned the Coachella Valley Advisory Planning committee to lead the way in a planning and beautification program which can keep Coachella Valley from destroying its natural resources.

"Los Angeles had wonderful resources too at one time," Rink told the group meeting in Desert Hot Springs, "but it's now well on the way to destroying them."

ONE OF THE FIRST steps, Rink said, must be the abolishment of billboards in the desert area and all over California. He added that he is reluctant to suggest any more laws, but that on the billboard question voluntary restraints break down and "there will apparently have to be a law."

He estimated that 25 additional billboards have been erected between Palm Springs and Banning since he came to the desert three years ago.

UNITE WITH IKE! Americans love slogans and we suggest this as a good one for all America. While Eisenhower's victory was considered a landslide, it must be remembered that some twenty-five million did not vote for him. There were many who voted for Ike but favored the Democratic senatorial and congressional candidates in their districts. President-elect Eisenhower drew strength from so many different groups and factions that there is no doubt his popularity will be a great factor in uniting our people. It comes at a time when unity in America is our greatest need.

Some people were greatly concerned because the presidential campaign aired our troubles, weaknesses and disunity. They believed it would be used against us by both our enemies and friends. These people didn't know America—didn't realize that from our greatest weaknesses we draw our greatest strength. A true democracy works that way. The rapidity with which Americans can close ranks after a bitter political campaign and unite the moral and material forces of the nation will astound the rest of the world. It will strike fear in the hearts of our enemies and command the respect of our allies.

With the inauguration of President-elect Eisenhower this nation will be a more united people than has been the case in many years. The feeling should help to stimulate greater unity at all levels—national, state and local. It should have its effect right here in Palm Springs where we have our differences also.

Unity is just as important to this community as it is to the nation. We have many serious obstacles to overcome in a resort community like this and one of the greatest is a lack of unity at times which hurts. This would be a good time for all of us to make a greater effort to stress unity in our community... while we have also decided to:

Sabre-Jet Sets New World Speed Mark at Salton Sea

Record of 699.9 Miles Per Hour Established in Four Flights over Below Sea Level Course

The desert area, a few miles east of Palm Springs, was the setting for a new international airplane speed record last week when an F-86D Sabre jet roared over Salton Sea at 699.9 miles an hour. It was reported that in test runs previously the plane had exceeded 700 miles an hour.

Risking his life to set the new record was Capt. Slade Nash, a 31-year-old Sioux City, Iowa, man with three children. His wife, but not his three daughters, watched as Captain Nash barreled the swept-wing North American interceptor jet four times over the course, as close as 100 feet to the ground although he could have flown it at 328 feet.

Nash had only to hit 676 miles an hour to shatter the previous world speed record set September 15, 1948, by Maj. Richard L. Johnson, air material command test pilot, at Edwards Air Force Base in an earlier Sabrejet—the F-86A. Johnson's mark was 670.981 m.p.h. and Nash was required to fly 5 m.p.h. faster to set a new record.

NASH'S SABRE jet carried a full rocket load. Adding hazard to the inherent danger of running a plane to near 700 m.p.h. was the low altitude—below sea level—at which the run for record was made.

Fuel requirements are much higher at sea level than at high levels and air pressure on the plane is approximately four times greater. In addition, aerodynamic problems of drag, buffeting and structural strength are greatly increased at sea level. However, low altitude and high temperatures make higher speeds possible.

CONDITIONS WERE NOT ideal for the test. Officials had hoped for 85-degree temperatures but, at approximately 1:45 p. m., when the speed runs were made, the reading was only 75.5 degrees.

Nash came within shouting distance of the speed of sound—about 760 m.p.h. at sea level.

The speed of sound—called MACH 1—has many times been surpassed by jet planes as they dive at high altitudes—in fact, most jet pilots pass this barrier at some time or other—but never under the considerably more difficult conditions of an official attempt to break the world speed record.

NASH ALSO SET another record—being the first pilot to break a world speed record at below-sea-level altitudes. The Salton Sea is 235 feet below sea level and Nash's Sabre jet was not believed to have gone above the sea level mark during his speed runs.

Scene of the run was desolate, gully-slashed barren shore land about a mile and a half below Durmid, a railroad crossing, and just south of the Riverside-Imperial county lines. About 100 newsmen, cameramen, manufacturers' representatives and Air Force members were present. Head timer was C. S. Logsdon of Washington, D. C., director of the NAA Contest Division. Rules of the Federation Aeronautique Internationale and the National Aeronautics Association (NAA) were followed.

Official timing was made with high speed movie cameras. Processing of these films was necessary before the exact official speed of the run could be determined.

Dr. and Mrs. Sidney O. Niles, Jr., are entertaining at dinner this evening at their home at 240 Ocatillo. Guests will be Mr. and Mrs. George Olsen, Miss Althea Carpenter, Dr. and Mrs. Tom Seddon, Dr. and Mrs. Sidney O. Niles, Sr.

GUIBERSON

were overruled by the then board of supervisors.

SUPERVISORS removed controls to allow Guiberson to build his plant. Civic leaders on the desert forced a referendum election which was won by the cement mill interests.

Since that time no steps toward building the plant have been taken. Trouble over an RFC loan and water rights is believed to have stymied the plan.

EARL COFFMAN, co-owner of the Desert Inn here, was one of the four appearing at the hearing.

He said the economy of Palm Springs is built on the community status as a winter resort for escapees from industrial areas and that this economy would be harmed immeasurably if unregulated industry is allowed to contaminate the desert air.

He strongly urged replacement of controls.

OTHERS at the hearing, agreeing with Coffman were Homer Varner, fourth district supervisor, William Dunkerley, Chamberlain of Commerce manager here and Mrs. Gertrude Walker, representing the Palm Springs Woman's club.

Planning Commissioner Robert Berlin said that "not two of 100 people in Banning" now favor the cement plant. Banning supported the plant in 1949.

Other commissioners, L. C. Lewis, Frank Bucking and C. C. Coffey apparently agreed with the four protestants.

Mitchell Elected by Civic Chorus

The Civic Chorus of Palm Springs elected officers at Monday night's rehearsal. Jerry Mitchell was chosen president; Brownell McGrew, vice president; Gladys Capper, treasurer; Reba Mason, social committee chairman; Ben Petrone, program chairman; Ginger Hubbs, librarian; Evelyn McFarland, publicity chairman.

Under the direction of Harry Tomlinson the chorus is working on the "Messiah," which is to be presented on December 15.

May Drive Car On Business Only

Stewart Truitt Felton, 31, Cathedral City, was fined \$150 and had his drivers license restricted for 90 days to business use when appearing before Judge Eugene Theriault Tuesday morning on a charge of driving while intoxicated.

Felton was arrested early Monday morning at the intersection of Calle Rohn and Highway 111 by Officer Charles Travers.

Hotel-Apartment Association Plans Told Kiwanians

Three programs under way by the Palm Springs Hotel and Apartment House association were outlined by President Ed Davidson to members of the Kiwanis club at their Tuesday luncheon meeting at the Tennis club.

Programs were outlined as follows: Keeping in close touch with the city council and planning commission with reference to zoning variances, parking and planning in general; a campaign to increase early and late season business, and active support for a new, municipal golf course.

Citing the 200 hotels and guest ranches in the city, of which 139 are members of the association, Davidson said that the hotel industry, with a \$40,000,000 investment, is of primary importance to the city.

"We are not trying to control what happens, but we do feel that we are important enough to have a voice in matters which affect the industry," he said.

Indians Meet to Name Enrollment Board Members

Enrollment committees for members of the Augustine, Cabazon and Torres-Martinez Bands of Indians were named last week in special elections.

The Augustine Band voted at the residence of Mrs. Margaret Andreas, the Cabazon Band at the home of Rafael Jim and the Torres-Martinez group at the Community Hall. Some members of all three bands live in Palm Springs.

Area Director Leonard M. Hill of Sacramento called the election for the three-member committees in accordance with provisions of Section 5 of the Act of Congress of August 25, 1950, and approved by the Secretary of Interior on October 27, 1952.

On the basis of enrollment of members, allotments of the ir- ritable land will be made in accordance with the Act of August 25, 1950. The enrollment committees will serve in an honorary capacity without pay.

Members of the three bands must file an application for enrollment with the area director at Post Office Box 749, Sacramento, before January 29, 1953, in order to be eligible for allotment of land.

Vote Dances

Saturday Night Events Planned

Square dances will be held every Saturday night, starting at 8 p. m., in the Polo Grounds Playhouse. City Recreation Director Howard Haddock announced today.

This decision was made following the success of the first dance, which attracted a large crowd, Haddock said.

Guest callers will be featured at each dance.

The public is invited to attend.

Stranger Collects Rent, Disappears

Police are searching for a man, who represented himself as manager of a court at 444 North Indian avenue and took \$5 from Clifford Bascom of Cabazon as rent for a room.

Bascom reported that he stopped at the court, and a man approached him and represented himself as the manager.

Name Committee for New Highway

A joint committee of Coachella Valley and Twentynine Palms area leaders to work for a direct highway through Blue Cut was named last week at Desert Hot Springs.

Coachella members will be: Frank Tebo of Indio, W. R. Hiller of Cathedral City, Helen Lester of Coachella and City Manager Russell Rink of Palm Springs.

Twentynine Palms area members will be: Bernard Arnold of Morongo Valley, Bill Williams of Yucca Valley, John Duncan of Joshua Tree and Earl Swain of Twentynine Palms.

Clarence Washburn, president of the Coachella Valley Advisory Planning committee, and Don Haislet, executive secretary of the Baseline Highway Improvement association, also will work with the group.

The proposed road through Joshua Tree monument would provide a more direct link between Twentynine Palms and its big marine base and this desert area.

BLANKETS NEEDED BY AID SOCIETY

Welfare and Friendly Aid association officials said that there is at present an urgent need for blankets for emergency cases and urged volunteers who desire to aid to dial the association office, 5688, or leave their donations at the Health Center building, 458 East Amado road.

Single, double or children's blankets are needed.

One-Woman Trouble

After receiving four reports in 44 minutes Saturday police located the subject involved. learned that the trouble was due to domestic troubles at home and then sent the woman home by taxi.

First report came from a local night club which requested an officer to aid with a woman who was "causing trouble." Four minutes later another call came that the

subject had left in a taxi. At 6:40 p. m., eight minutes after the first call, police received another report that she had "gotten out of the cab and ran away."

Final and concluding call came at 7:16 p. m., when a store called to report the subject being there. Officers brought her to the station for questioning and then sent her home by taxi.

Riding Trails to Local Canyons to be Improved

Representatives of the Desert Riders, Los Compadres and the Mounted Police met with Indian Agent Lee Odle Monday noon at the Racquet club to coordinate plans for trail improvements.

Outgrowth of the consultation was the plan for immediate improvement of the approach to Andreas Canyon and the up and down trail to Tahquitz Canyon to provide a good two-hour ride for Village riders. This will also make the trail easier for the Mounted Police who use it frequently in rescue efforts.

The Desert Riders were represented by Ed Coubrey, Mrs. H. C. Moselev, Tony Burke, Carol Brill, Cliff Campbell, and George Braley. Jimmy Cooper represented Los Compadres, and Warren Coble, the Mounted Police.

Dumbbells

Hayden Attacks Combined Jobs

Irwin Hayden, county supervisor, former chairman of the board, said Monday he was "100 per cent for W. O. Mackey, county supervisors," but that he was opposed to one man holding two offices.

Hayden defended the action of the board in separating the offices of county counsel and prosecutor, both of which had been held by Mackey.

His statement followed action of the board Monday in asking the state legislature to raise Mackey's district attorney salary to \$10,000 a year providing he holds no other office.

Hayden said the board which combined the offices of county counsel and district attorney here "dumbbells." Chairman William Jones, who was on that board, made no comment.

Motorist Injured in Crash Here

One man suffered minor injuries and the 1950 model car was listed as a complete loss when the vehicle overturned on Highway 111, 200 feet east of Araby drive at 9:12 p. m., Tuesday.

Injured was Ted Gustafson, 51, of Los Angeles, owner of the car. Driver was Charles H. Parrier, 29, Los Angeles.

The car, traveling east on Highway 111, started to skid at the intersection with Araby drive, and after overturning came to a rest on the top.

Citizens Theatre Group to Meet on Wednesday

Organization meeting of the Citizens Theatre committee of the Palm Springs Playhouse will be held at 1:30 p. m., Wednesday, December 3, at the home of Producer Herb Rogers, 226 Morongo road.

All members of the committee last year, as well as other residents who are interested in theater activities, are urged to attend, Rogers said.

Plans will be formulated for a large membership campaign, with season tickets to be offered for sale as Christmas gifts. Opening of the Playhouse will be January 13, with a star system to be featured.

Recess left for Hollywood Tuesday and will spend the rest of the week there in an effort to sign Hollywood name players, a different one for each week of the season.

Priests will remain the same as last year for the first 1000 season passes sold, Rogers said, and then will be increased by \$5 due to the inauguration of the star system and increasing of general overhead.

Harmony

Flood Control

Cooperation Asked

Harmony between various interests in Coachella valley from San Geronimo pass to the Colorado river in the matter of flood protection was urged by W. R. Hillery, Cathedral City, Coachella Valley Advisory Planning Committee flood control chairman at a meeting of the CVAPC at Desert Hot Springs Wednesday.

Hillery said that flood control boards of the upper and lower Coachella valleys should cooperate more.

Hillery said that he had had preliminary talks with officials of the Coachella Valley County Water district and hopes that the CVAPC, his committee, the Indians and the Palm Springs Water company can all get together to work out a cooperative flood control program.

Air Wing of Police Force is Organized

To Complete Plans at Meeting Here Tomorrow Night

Organization of a new air wing of the Palm Springs police department will be completed tomorrow night at a second meeting of Villagers who own private planes or have access to them, Chief of Police A. G. Kettmann said Monday.

Plans for the Aero Squadron of the local police force were announced last week by Chief Kettmann after a meeting of four representatives of Desert Flyers with the chief.

PRESENT at the meeting were Percy Whiteside, Herbert Burns, Clarence Purnell and William Emig. There are 10 members in the Desert Flyers group.

Purpose of the Aero Squadron, the chief said, will be to assist Mounted Police in search parties for missing persons and to speed rescue work. The new department of the force will also aid in reconnaissance work and in transporting officers when the occasion requires.

RULES for membership will be established at tomorrow night's meeting. A date will be set when the membership closes.

The Aero Squadron will have suitable identification of members and special insignia for the private planes.

The Palm Springs Police Aero Squadron will join the Police Reserves, Mountain Police and regular force as a fourth arm of police protection for the Village.

Pays \$150 After Arrest for DWI

Kenneth Hiram Schwannecke, 49, 1881 South Palm Canyon drive, was fined \$150 and had his license suspended for 90 days at a hearing before Judge Eugene Theriault Tuesday morning on a charge of driving while intoxicated.

Schwannecke was arrested by Officers James Clark and Robert Ralph at 2:30 a. m., Tuesday, in the 500-block of South Palm Canyon drive.

CHP Has Praise for School Bus Safety Job Here

Palm Springs school bus system came in for high praise from the California Highway Patrol, Superintendent A. G. Hoff, of the Palm Springs Unified School district said Monday.

He made public a letter from H. W. Renkel, lieutenant of the CHP lauding the local system.

The letter follows: "On our recent school bus inspection and during the time we were giving school bus drivers examinations, we found the Palm Springs equipment, without exception, to be in first class condition."

You and your staff are to be commended for the interest you have shown for the safety of your pupils, not only in maintenance of school busses, but in the splendid training program you have for school bus drivers and students."

Last Rites Said for Faye Bragg

Funeral services were held Wednesday at 2 p. m. for Faye Bragg, prominent in American Legion activities, former adjutant of Owen B. Coffman post and a former employee at the Desert Inn, who died in his sleep Monday night at the Salton Sea Atomic base.

Owen B. Coffman post, American Legion, was in charge of services at Palm Springs cemetery.

Preceding the graveside ceremony, memorial exercises were held at World War Memorial hall by the post with Chaplain C. H. Mitchell and Commander Warren Linville in charge.

Bragg is survived by his son, Collin Bragg.

Driver for Local Man Found Slain

Long Beach police were still without a clue to the mysterious slaying of Peter Bullock, 33-year-old Negro chauffeur of Belmont Sanchez, well known Village Winter resident.

Bullock was found dead last Wednesday in his sleeping quarters above the Sanchez Long Beach automobile agency.

No motive was unearthed by police investigating the slaying.

Los Compadres feted their outgoing president, Elmo Purnell, Saturday night at their clubhouse. A spaghetti dinner, prepared by Tony and Ellen Biaschi, was followed by an evening of dancing. About 60 were present.

Roeseler New Palm Springs City Planner

Succeeds Woodman and Takes Office on December 8

New planning director for the city of Palm Springs will be W. G. Roeseler, re-development analyst and coordinator with the planning department of the city of San Antonio, Texas, effective December 5.

He was selected over 18 other applicants, to succeed Charles Woodman, who resigned recently to accept a post in West Virginia.

Roeseler, 27, is a native of Germany, where he attended Phillips University of Hesse, Marburg, graduating with a doctor of philosophy in planning. Since arriving in the United States, he took post-graduate work at the University of Wisconsin, and was associate planner with the city planning commission at Kansas City, Missouri, before accepting the position in Texas.

He has filed first naturalization papers with the U. S. District Court, Kansas City, and will be eligible for final papers in 1954. He is married and has one child.

Trailers

Tract Owners Would Keep Them

A majority of the Charlesworth Valley association is in favor of retaining trailer dwellings under suitable restrictions in the Charlesworth tract south of Cathedral City, Mrs. Ruth Norris, secretary-treasurer, said at a meeting of the organization.

Members met to hear County Planner Tyler Suess answer questions in connection with zoning and building restrictions. Suess said that it would be necessary to apply for a variance for that section in order to make trailer dwellings legally permissible.

Mark Holiday Ahead of Time

Kindergarten classes at Frances Stevens school, under the supervision of Mrs. Helen Peterson, celebrated Thanksgiving ahead of time with a bonfire yesterday morning.

Several days before, the children went for walks and picked up sticks so that each made a contribution to the bonfire.

Both kindergarten classes were at the bonfire party and the group around the big fire was a merry one. After watching the flames die down, the youngsters toasted marshmallows over the bed of coals.

Find Footprints But No Prowler

Ruth Biescar, Melody Lane apartments, 424 Indio road, reported to police that a prowler had been around her home between 12 and 12:30 a. m., Saturday. Footprints were found underneath a window.

Strebe Theaters Offer Yule Gift

One of the most unique Christmas gifts to be offered to the public has been out on sale this week at the box offices of the Earle C. Strebe theaters.

This year the management of both the Plaza and Village theaters believe they have come to the rescue of the Christmas shopper with their "Christmas greetings Coupon Book." A perfect gift for the family or friends. They are an attractive expression of the holiday spirit and they provide weeks of top entertainment.

Warren Strebe, manager of the local theaters, announced that both theaters will have continuous performances on Thanksgiving Day starting at 1:45 p. m. Box offices open at 1:30. Top feature is "Plymouth Adventure" starring Spencer Tracy, starting tomorrow at the Plaza Theater. The Village Palm Springs will present "The Quiet Man" starring John Wayne, Maureen O'Hara and Barry Fitzgerald.

"I LOVE ALL features of the circus," he continued. "There's nothing better I would like than a limited circus—parade, kangaroo court, night of dancing, etc.—but the home owners, store owners and all restaurant and apartment house owners have to support the event to make it a success."

Support for a limited event were given by all present.

Attending the meeting were: Rosin, Chamber of Commerce president; Adrian Rosen, representing the Chamber's Merchants Division; Jan Guthrie, Chamber publicist; Helen M. Morris of the Palm Springs Business Woman's club; Mrs. S. P. Manassi of the Palm Springs

the right where he ought to be. Think that's a bright idea to allow northbound Indian avenue and southbound Palm Canyon traffic to roll on without a stop but make northbound Palm Canyon traffic stop as well as southbound Indian stop. That should end long waits, delays and blue words.

UNDER THE NEW SYSTEM of labeling the days of the week here to avoid damp and cloudy weekends, as advocated last week, didn't we have a beautiful Friday and Saturday, on what used to be Tuesday and Wednesday? Under the plan of changing Tuesdays to Fridays, Wednesdays to Saturdays and so on, the rains last week fell on Monday and Tuesday instead of Saturday and Sunday. Confusing, isn't it? But so was FDR's Thanksgiving and Gov. Warren's daylight time. And, anyway, it shouldn't rain this weekend. The law of averages should prevent it. But maybe it has been repealed, too.

DISASTER hit in large chunks yesterday at the Sun office. On each desk but mine was a pink slip from the police department. But it said "This is not a summons. Palm Springs welcomes you." It was under the heading: "Miscellaneous" with the notation: "No all-day parking." Now the boys and girls will have to get up every once in a while and drive around the block. Understand that when the local lounges install TV they are going to put up signs during big games: "No beer sold between 1:45 and 4:30 p. m." Head your car east when you park at night. It only takes Old Sol a few minutes to wipe your windshield in the a. m.

And a Happy Thanksgiving to you, too.

Light Toll Taken in Morning Fire

Damage estimated at \$55 was caused by a fire which damaged a foam rubber chair, linoleum and a rug at the home of M. H. Calliner, 941 Chia road, at 2:38 a. m., Tuesday.

The fire was believed started by a panel gas heater, firemen reported.

Firemen from Station 1 also answered a false alarm at 10:55 a. m., Monday, at the Del Tahquitz hotel, caused by steam rising from a pipe in the ground. These were the first fires reported in more than a month.

Thanksgiving, Palm Springs style, is a far cry from that first Thanksgiving when the Pilgrim Fathers decided that the harvest looked good enough to celebrate. Contrast the fresh green of the lawns and golf courses and the cool, clear blue of the swimming pools in the Village with the frost-nipped autumn woods and the gray Atlantic which dashed on New England shores.

Instead of the flare of neons, flood-lighted palms and the subdued indirect lighting of dozens of night spots picture the fire-light of the open hearth and the soft glow of hand-dipped tapers. Compare the prim, grim homespun of our ancestors with the vivid but casual sportswear of the country's foremost resort town. Consider the difference between the cellophane-wrapped, frozen turkeys from Gorgeous George's ranch and the wild ones that fell, pierced by an Indian arrow.

World of Difference

There's a world of difference but this Thanksgiving, 1952, will find the Village festivities in traditional style. Families will gather about the dinner tables, from Ramon road to Racquet Club road, to eat too much of big, brown turkeys and creamy pumpkin pies. They will remember to be thankful for the things they hold most dear and in the homes, in the restaurants, in the hotels and in the night clubs this typically American holiday will be, as always, a blend of festivity and solemnity.

For the most part it will be a family day, and literally dozens and dozens of family reunions will be fulfilled today.

Mr. and Mrs. Ronald Ellis and Mr. and Mrs. Stephen P. Burke will be a foursome at dinner at the Ellis home at 291 East Caballero. The daughter of the house, Miss Anne Ellis, is spending the holiday up north as the guest of Mr. and Mrs. Paul Augsburg. Commander and Mrs. O. H. Small of 651 Paseo El Mirador, are planning a quiet day at home with their daughter, Sandra who is down from Berkeley of 418 Via Colusa are spending the day in Los Angeles with her sister and brother-in-law, Dr. and Mrs. Irvin Cunningham. UCLA student Betty Wright will join her parents there and come home with them for the weekend.

Dr. and Mrs. Clarence Woodmanse of 1041 Tamarisk road, have invited in a few friends for a traditional Thanksgiving dinner, Mrs. Eleanor Hall and children, Mr. Edmund Lucas of Westwood and Mr. and Mrs. William Wilkinson of Santa Monica. Mr. and Mrs. Noel C. Carpenter are down from Portland, Oregon, spending the holiday at the Vaughan Arms of 1625 Tuscan road, heard mentioned to Beverly Hills to spend the day with her mother, Mrs. M. J. Waller, a former Villager. Places will be laid for 10 guests when the Marvin D. Sales of 1933 Mesa Drive, host a dinner today.

Villagers on Move

The Oscar Torgersons (he's the president of the Desert Bank) are spending Thanksgiving in Indio with their daughter, Mrs. Charles Wameling and her family, and fulfilling the happy roles of grandparents to the two Wameling children, Susan and David. Mr. and Mrs. Edward A. Wallace, Jr., and their daughter, of 231 Lugo road, are entertaining as dinner guests Mrs. Roy Dennis, Miss Margaret Woodruff, Mr. Charles Withers of Grand Rapids; Cpl. and Mrs. Thomas Lawless of Austin, Texas, Mrs. Charles F. Powers and Mr. and Mrs. George Bell of the Village.

Commander and Mrs. Reginald S. H. Venable, USN retired, are here for their first visit this season. They are staying at the Vaughan Arms which is managed by Mrs. Venable's sister, Mrs. Grace Bainter Burgess. Mrs. Venable is Fay Bainter, star of stage and screen, and she and her husband will leave for New York immediately after Thanksgiving to fulfill her television engagements.

Registered at the Random House for over the Thanksgiving holiday are McIntyre Faries, big wheel in the Grand Old Party; Mr. and Mrs. Walter Lantz, whose studio makes the "Woody Woodpecker" cartoons; Mr. and Mrs. D. K. Noble of Los Angeles, and Dr. and Mrs. George Hummer. Dr. Hummer is head pathologist of St. John's Hospital and prominent in the Dixie Lee Crosby Foundation work. The Elmo Furnels will entertain about 20 friends at the cocktail hour today. Dinner guests at their home at 1414 South Calle

Marcus, will be Mr. and Mrs. Irvin Mitchell of Menlo Park and Mr. Ben Cox.

Wonderful Plans

The Richard Outcaults, owners of the Town House, have wonderful plans for Thanksgiving Day, centering around their new, eight-week-old grandson, Richard Outcault IV, who will be here from Los Angeles with his parents, Mr. and Mrs. Richard Outcault III. Richard III is a graduate of Palm Springs high school and Stanford and has many friends here. Two other Outcault sons, John who has just finished the School of Architecture at USC, and Peter from the University of Arizona, will be in the family group. The John Munnollands will spend the day up in the snow country, at their cabin at Idyllwild and expect to have fun with their grandchildren, Jim and Betty, while their son Jim (the lives) in Long Beach makes like a chef and cooks the turkey. There will be nine in the family group to eat the turkey.

The William Maloufs and their three children, Gary, Jerry and Carol, will be out from Los Angeles to spend the day at their home on Via Las Palmas. Several members of the Nassour and Malouf families will join them. Attorney and Mrs. Frederick Anderson are guests of the William A. Lippmans of 1203 Buena Vista today and will remain over the weekend. Mrs. Homer McKee has gone to Santa Monica to be with her daughter and son-in-law, Mr. and Mrs. W. E. Groshen, and her granddaughter, Miss Diane Cross. In North Hollywood for a four-day weekend, Mrs. Virginia McLaughlin and children, Mary and Dennis, are guests of Mrs. McLaughlin's sister, Mrs. Arthur Schmidt of Toluca Lake.

Family Gathering

In the family gathering at the Harold Hicks home today will be her parents, Mr. and Mrs. Humphrey Birge of Buffalo, New York, who are wintering in the Village; Mrs. Hicks' brother and his wife, the Richard Birges, who have a ranch near Indio; Mr. Hicks' aunt and uncle, Mr. and Mrs. George Smith of Palm Springs; the Milton Hicks of Thunderbird; and the Harold Hicks' four children, Gail from Anoka, Jean from Immaculata, Heart, Jimmy from Stanford and Denny. Mr. and Mrs. Rex Hardy will be Thanksgiving guests of their daughter and son-in-law, Mr. and Mrs. C. P. Grady in Brentwood. There will be about 18 at the family gathering. Mrs. Alice Guthrie of 550 Via Miralesta will be hostess to her daughter and son-in-law, Mr. and Mrs. William Shinner and four children, Prudence, Judith, Candace and William Jr. Father Michael O'Conner and Father John Power.

Mr. and Mrs. Joseph Grabiner who arrived Tuesday from Chicago, for a six-months' stay in the Village, are hosts today to Mr. and Mrs. Edward Trinz of San Jacinto, Mrs. Irving Plonley of Beverly Hills and Mr. Edward Blywise of Cleveland. Guests of the Albert Bergmans of 1338 Buena Vista drive include her mother, Mrs. Rose Caplan of Los Angeles, Mr. and Mrs. Saul Yellen and daughter, Mrs. Phyllis Jacobson of Cheviot Hills, and Mr. and Mrs. Arthur Greenfield and son Jerry of the Village.

Winter visitors from Billings, Montana, the C. H. Baumgartners will eat turkey at the home of Dr. and Mrs. Daniel McCauley today. The McCauleys' daughter Joan, who is teaching in Redlands, and James Hargrave of Redlands will also be present. The Stewart Williams are entertaining his brothers, Harry Williams and Roger Williams and family, and the Dewey Metzgers (he is vice president of the Oasis Hotel). A family party at the home of Mr. and Mrs. Francis F. Crocker, 1051 Granvia Valmonte, includes her sister, Miss Eleanor Wilson of Bakersfield, who is Kern County librarian; Commander and Mrs. T. M. Leovy, cousins from San Diego; and the Crocker's son Jeremy from Cal-Tech. Wendell Martin is again at his home on Calle Rolph after spending the late Summer at his Beverly Hills residence. He was a guest at the

SINGING AGAIN—Connie Barleau of the Dunes is singing again. Gracie Frankel has returned and is at the piano accompanying Connie in those songs at the intimate copper-topped piano bar which is so popular here. Connie has just completed a highly successful season at Lake Tahoe and this is her fourth season here.

Personality Tests Studied

The Palm Springs Chapter of the Alpha Delphians will meet next Wednesday at 10 a. m. in the parish hall of St. Paul's of the Desert Episcopal church. Mrs. L. A. Morrison is chairman of the day and there will be a seminar on the topic "Personality Tests and Measurements."

Speakers and their subjects are as follows: Mrs. Kota Henderson, "What personality measurement means"; Mrs. Charles McFarland, "Important primary traits"; Mrs. Clinton Bauer, "Personality measuring avenues"; Mrs. William Foster, "Kinds of objective tests"; Mrs. Arthur Greenfield, "Limitations of measurements."

Dublin Holiday for Sally Lockett

Sally Lockett, who is U. S. Air Force Service Club Director at Upper Heyford Aerodrome in England, has just returned to her work from a holiday in Dublin, Ireland. She is working overtime during the holidays planning parties and entertainment at the club, and escorting a large group on a two-day tour to London for sightseeing and to see the play "Porgy and Bess" which has been a smash hit there.

Royal Hawaiian hotel in Honolulu during June and July. Edwin and Charles Robinson of Newark, New Jersey, are registered at the Biltmore and expect to spend several weeks in the Village.

Soroptimists at El Mirador

President Esther Weingarten announced this week that arrangements have been made for Soroptimists to hold their weekly luncheons at El Mirador hotel, following its opening next month. The clubwomen have been meeting in World War Memorial hall.

The Soroptimists dispensed with their regular luncheon this week and held a special business session Tuesday evening in the office of Weingarten and Hough in the Plaza.

Toastmasters Guests of Local Toastmistresses

When the Palm Springs Toastmistress club met last week at the parish hall of St. Paul's in the Desert members of the Toastmasters club were present as specially invited guests.

Addressing the group, Mrs. Dorothy Baker, a professional parliamentary law, following it with a drill on proper procedures. Rosalie Crocker was topic mistress for the evening and introduced the topic of new ideas in home building, particularly fitted to Palm Springs living.

Toastmasters Charles Travers and Jack Sanders served the refreshments during the social hour which followed discussion. The next meeting of Toastmistress Club will be on the evening of December 3 at the same place.

Harvest Moon Ball Friday at Desert Inn

A post-Thanksgiving affair will be the colorful "Harvest Moon Ball" at the Desert Inn tomorrow night. The inn's spacious dining room will be candle-lit for the occasion and pumpkins and cornstalks will carry out the harvest theme in the decorations.

Strolling troubadours in Spanish costumes will add a touch of romance. The well-liked "Five Bits of Rhythm" will play for the dancing which starts at 9 p. m. and Bob Franks will present a dance program at 10.

The calendar of Desert Inn dinner dances, which feature music and entertainment, includes the New Year's Eve ball, the "Rainbow Ball" on February 19, "Schoolhouse Capers" on March 19, and the "Easter Ball" on April 2. Mary Walker Maher, the Inn's social director, announced this week.

Outdoor barbecue luncheons are planned for each Monday and Thursday noon. At these informal affairs guests are transported to picnic spots selected for their "off the beaten path atmosphere." Transportation may be by horseback, in "a surrey with the fringe on the top," or, more conservatively, by car.

Johnny Boyle, the Desert Inn's popular cowboy host, takes over as chef and host at these gay affairs, and after the steaks are broiled, entertains with guitar-accompanied western songs.

Thanksgiving Day was a happy occasion at the hospitable inn as family parties gathered from far and wide to celebrate the holiday. Lovely young harpist, Joan Sayer, played during the day and evening.

Friends Meet at Lieb Rosen Home

A group of friends met at the home of Mr. and Mrs. Lieb Rosen at 1777 Mesa drive to meet Dr. and Mrs. Sanderling of the Los Angeles Fairfax Temple, houseguests of the Rosens.

Mutual interests resulted in an interesting discussion in the circle which included Rabbi Lebowitz, Messrs. and Mmes. Harry Pitts, Aaron Sternberg, Bob Morris and English visitors, Mr. and Mrs. Black.

Dr. Sanderling and Mr. Sternberg met recently in Israel and their accounts of events and experiences there proved interesting and informative to all.

AT SHADOW MOUNTAIN—Mr. and Mrs. Robert G. Meyler enjoy dinner at Shadow Mountain club in Palm Desert. The Meylers, who live in Los Angeles, are frequent visitors to the desert playground at Palm Desert. He is a noted Los Angeles engineer.

Racquet Club Hosts Throng Over Holiday

Opening tonight for a four-night engagement at the Racquet club is Teddy Noel and his orchestra. This is the first Palm Springs appearance for Noel, whose danceable music made him a favorite at the Hotel Astor in New York, and the Belmont Manor in Bermuda.

Among the many Thanksgiving guests at the Racquet club are Messrs. and Mmes. Alexander Hall, Duffy Edwards, Robert Modisette Jr., H. K. Oakes, Earl Callan and their daughter Betty, William Hollingsworth, Paul Masters, Shelton A. McHenry, Robert Anderson, Tennis star Gussie Moran, and Messrs. Vic Orsatti, Edwin Knopf, Jimmy Ritz and Charles Isaacs.

A group of Los Angeles people here for Thanksgiving and the long weekend include Mr. and Mrs. John McNabb, Mr. and Mrs. E. H. McMasters, Dr. and Mrs. A. Fletcher Hall, Mr. and Mrs. Dwight Hirsh and Mr. and Mrs.

John Brandies. Among other Racquet club guests for the holidays are the Hadley Stewarts and the Jerry Lewises and their children.

Football atmosphere was rampant at the Racquet club Saturday afternoon as the lounge, the bar and the Garden Room were thronged with spectators watching the USC-UCLA game on the television sets. Among the personages cheering for their favorite teams were Lucille Ball, the Dean Martins and the Dean Jagers.

Everyone in the Palm Springs area reads The Sun.

Frank Taylors Visit in Village

The Frank Taylors of Los Angeles spent last week in the Village with Mr. Taylor's mother, Mrs. Emma Herndon of 315 Ridge road. Taylor, who owns the Taylor Automobile company, was here attending the Motor Car Dealers convention and golf tournament at Thunderbird Ranch and Country Club.

Mr. and Mrs. Albert Geringer of Beverly Hills are guests at the Palm Springs Biltmore.

CLUB SPEAKER—Dr. Myron S. Olson who will address Palm Springs Woman's club next Monday.

Starlite Room Show Pleases Big Crowds

They are packing them in at the Chi Chi Starlite room this week as the word goes around that Schuman has another good show.

Chic and charming Marjorie Garretson gives an unexpected twist to her comedy songs that has won her star billing at leading night spots from coast to coast.

Sharing top billing and equally popular with the cafe society audiences, the Continentals, a four-man singing ensemble, have a routine of song, dance and pantomime that is a Duke's mixture of ballads, novelty numbers and fresh corn, all well-spiced with some ideas of their own.

The Zerby's, a headline act from the Folies Bergere, have a zip to them and Chi Chi patrons are dancing to the music of Les Parker's orchestra.

Police Officer Addresses PTA

Lt. Jack Hughes, of the Riverside county sheriff's department was the speaker for the monthly meeting of the Cahuilla PTA last week. Lt. Hughes also showed a film titled "The Dangerous Stranger."

The paintings that the PTA has worked so hard to acquire were on display before being placed in the classrooms.

Mrs. Louis Oliverson, who is in charge of the refreshments, she was assisted by other first grade Room Mothers.

Silver Dollar Luncheon Held

Mrs. Arthur Coffey entertained at a Silver Dollar luncheon Thursday at her home on Calle Rolph. Benefits of the affair go into the missionary fund of the Community church.

Chrysanthemums lent a festive air to the luncheon table, which was set for ten.

Invited guests were Mmes. Charles McFarland, N. H. Curtis, Roger Williams, William Aikin, Ed Canby, Robert Hargiss, S. T. Kieley, Wayne Woodford, Jean Bell and the hostess.

THERE IS CURE FOR THE ASTHMATIC

NOTHING IN THE WORLD IS SO BENEFICIAL to the asthmatic sufferer as the help of the psychotherapist can give. A tense respiratory system underlies all asthmatic suffering and freedom from neuro-muscular tension is basic to successful psychotherapeutic work.

The asthmatic sufferer can be taught to remove all tension himself—and also to raise body temperature a few fractions of a degree to keep the blood vessels from contracting. By such and similar self-help asthma can be overcome permanently.

Dr. Olsen to Speak Before Clubwomen

By RUTH MARTIN

Since the Palm Springs Woman's club enthusiastically and actively supports educational advantages for worthy young people in the community, it is particularly fitting that Dr. Myron S. Olson is to be the guest speaker at the club on the afternoon of December 1 when he will be heard in his famous lecture—"The Light That Must Not Go Out."

The distinguished Dr. Olson has achieved an impressive number of degrees and has had many years experience as a teacher and administrator in everything from elementary schools through college. His intense interest in youth extends itself to all phases of educational problems, juvenile delinquency, parental responsibilities, all society's problems and solutions as well as community cooperation. Dr. Olson approaches these problems with refreshing originality and great understanding which gives him great popularity with all civic organizations, clubs, church groups and those interested in this highly important subject.

The members of the program committee are very enthusiastic about this prominent educator and strongly urge all club members to attend his informative and challenging lecture. It is another favorable occasion to bring the men of the family and guests are cordially invited.

100 Present at Finchy School Parent Event

Over 100 attended the first general meeting of the Katherine Finchy Parent-Teacher group held in the school auditorium last week. The attendance trophy went to Miss Donna McCoy's room.

Lt. Jack Hughes of the Riverside County Sheriff's office, principal speaker of the evening, showed the parents two safety films that had been shown earlier to the students.

Ben Petrone conducted a student group in several musical selections. Principal Warren Linville introduced faculty members, including one new teacher, John Q. Jones.

Mrs. Madalyn Ruskin, PTA president, announced that approximately 100 parents have joined during the current membership drive.

Room Mothers from Mrs. Sanford's class served the refreshments.

The next general meeting will be on December 18 at 7:30 p. m. This will be a Christmas play, with a children's chorus.

AAUW in Charge of Drive to Aid Japanese Women

Joining in the National Council of Social Welfare's current drive to collect used nylons to send to Japan, the Palm Springs chapter of University Women will serve as the local collection agency.

Helen Thompson, of the association's social service committee, is chairman of the drive, and has arranged to have collection boxes placed in the Safeway, Mayfair markets and the Basket Shop at 402 North Palm Canyon. By calling Mrs. Donald Cole, Palm Springs 2-4775, contributors may have their donations called for.

The nylons are being sent to Japan to help re-establish industry. The Japanese women mend the hose that are only slightly damaged, and unravel and re-knit the others.

San Mateo Family Here for Holiday

Mr. and Mrs. John Stanton Bowers and their two small daughters, Susan Anne and Nancy Jane, of San Mateo, are here for a fortnight's stay with Mrs. Bowers' mother, Mrs. Louise Hennes of 185 Mesquite. Mrs. Bowers is the former Mary Jane Hennes. The young couple will be feted at a number of social affairs during their stay in the Village.

Mrs. Hennes' son, Mathews, UCLA graduate who is now studying law at Loyola, arrived yesterday to spend Thanksgiving with the family.

DINNER PARTY—One of the largest dinner parties at the La Quinta opening was hosted by Jack Freeman, who is shown here with some of his guests. From left, Chief of Police August Kettmann, Frederick Clausen, general manager of El Mirador, Freeman and Charles Hunt.

CHAIRMAN—Mrs. Stanley Rosin, chairman of the Soroptimist Club of Palm Springs, reports that 250 Villagers attended the club's annual Mexican dinner at the World Wars Memorial building last Wednesday night.

Art Center to Show Film of Michelangelo

A documentary film of the life and works of Michelangelo, the great artist of the Renaissance who painted the Sistine Chapel, was the architect for St. Peter, and one of the world's greatest sculptors, will be shown at Frances Stevens school, next Wednesday night at 8 p. m.

The magnificent film, shown through the courtesy of the Desert Art Center, is narrated by Frederic March and produced by Robert Flaherty.

One of Michelangelo's most noted paintings is the ceiling of the Sistine Chapel and this is superbly reproduced in the film. The great artist left mankind a heritage of the greatest sculptures ever produced. Pieta, which stands in St. Peter's in Rome, and the remaining fragments of the tomb of Pope Julius II. As a poet, he preserved in verse his conceptions of art.

The earthly form of Michelangelo, who died in 1564, is entombed at Santa Croce. On his tomb, designed by Vasari, the three figures of Sculpture, Painting and Architecture mourn eternally.

The showing opens the season for the Desert Art Center and is for members only.

Desert Art Center is under the presidency of George Wheeler this season, with Mmes. Stanley Rosin, Joseph Gamble, Arthur Hoff and George Wheeler serving on his committee.

Church Group to Hold Dinner Meeting Tuesday

A group of 12 young married couples of the Community church will hold a dinner meeting next Tuesday night, December 2, at the home of Mr. and Mrs. William J. Dunkerly at 1550 South Calle de Rolph.

This is a discussion group which meets monthly at homes of members. Rev. James H. Blackstone, Jr., pastor of the Community church, will lead the after dinner discussion Tuesday evening. The topic will be "The Case of the Atonement of Crime."

M. O. Andersons Host Buffet Supper

The M. O. Andersons were hosts at a buffet dinner at the home on Linda Vista drive Monday night. About 25 guests were present, including several members of the Tamarisk Golf club, of which Mr. Anderson is president.

Re-open Local Home

Chicagoans Mr. and Mrs. Norman A. Waters are settled in their Palm Springs home at 280 Vereda del Sur. They arrived in the Village on November 15 but spent a week at Thunderbird before opening their house. This is their fourth season here.

Soroptimists Host to 250 at Annual Dinner

Mrs. Esther Weingarten, president of the Soroptimist Club of Palm Springs, reports that 250 Villagers attended the club's annual Mexican dinner at the World Wars Memorial building last Wednesday night. The menu included favorite south-of-the-border foods, prepared by Marcos Caro, San Geronimo Pass restaurateur and former Villager, who donated his services for the occasion. Mrs. Weingarten said that the club has received many compliments on the very fine food, and the hot sauce for which Marcos is noted.

Program for the evening was arranged by Luella Coffin, program chairman, and her co-chairman, Dr. Galista Steffan. Madge Holderman welcomed the audience and Wynne Hammond emceed the program.

Trixie Jarrett presented a group of her dance studio pupils, including Benny, Wendy and Gary Hammond, Marilyn Mills, Darlene Moxon, Mossie and Mike Bula, Donnie Fry, Terry McKinnon, Frances Pann, Barbara Finerman, Donna Scrivener, Sandra Schmidt and Barbara Cooper.

Corinne Olson, a pupil of Wynne Hammond, sang Mexican folk songs, and Marilyn Mills and Doris St. George Lewis sang solos.

Luella Coffin especially wants to thank the many people and merchants who assisted in the sale of tickets, just to name a few: Willard and Betsy McKinney, George and Ethel Strebe of the Doll House, Mr. and Mrs. S. P. Malool of the department store; Bill Fadden of the Palm Springs Guide; Dorothy Frost and many, many others. She is especially grateful also to Don Burns, steward of the Legion post, who was so helpful in preparation of the hall and handling the kitchen crew. Also thanks are extended to Martha and Harry Irwin, Esther and Tax Driskell and their boys, Bobby and Agnes Sanders and Tom Killfole for the help they gave the club in serving the dinner.

LA QUINTA OPENS—In a dinner group at the La Quinta opening were the Frank Bennetts and their daughter Deedee, shown here with Tom D. Miles, new manager of the desert resort hotel.

La Quinta Hotel Gay Scene at Season's Formal Opening

La Quinta hotel, which basks by day in the desert sunlight like a flashing jewel in a mountain setting, glowed with lights Friday night as the fabulous resort hotel formally opened its 27th season.

A favorite gathering place for Quin'a drew a representative crowd for the opening. Manager Tom D. Miles, who is new there this season, and the very lovely Miss Clay Borden who is directing the hotel's social life, welcomed their guests warmly.

Guests were grouped in the Mirage room, where they danced to the music of that admirable piano stylist, John St. John, and his combination.

Here, at a special table, were the Phil Regans and their party which included Phil Regan, Jr., Mr. and Mrs. Milton Morris, of Chicago (he is co-owner of La Quinta), and Tom and Margaret Miles, whose 11th wedding anniversary was the inspiration for a mammoth cake, which was cut and shared with the guests.

Among the parties in the main dining room, Miss Borden's included Frank and Melba Ben-

Metrotones Open Friday at Dave Lyons

"Here's one time you can mention the weather in Palm Springs as perfect," Dave Lyons of the Saddle and Sirlin wired Arthur Godfrey this week. The reason... the Metrotones, Bill Rossi and Gordon McDermott, four times winners on the Arthur Godfrey talent show, are opening at the Saddle and Sirlin tomorrow night.

Village cafe society is expected to turn out to welcome the two singing comedians who have appeared with so many big names on stage, radio and television. In addition to their singing and comedy, Rossi plays the vibraphone and McDermott the bass violin.

Lyons said he is sure the Villagers will welcome the duo and applaud them as two of the most promising entertainment stars of the future.

OES Officials to be Installed December 4

Dr. Georgiana Raymond will be installed as Worthy Matron and C. S. Raymond as Worthy Patron, when new officers of Palm Springs Chapter 576 of the Order of Eastern Star have their formal installation next Thursday evening at 8 p. m. at the Masonic Temple.

Other officers to be installed are: Mabel Halliday, Associate Matron; Russell Smedley, Associate Patron; Anita Dubin, Secretary; Edna Broth, Treasurer; Helen Winterton, Conductress; Isabel Magennis, Associate Conductress.

Josephine McCauley, retiring Worthy Matron and G. C. Waller, retiring Worthy Patron, were honored Thursday evening and received gifts of appreciation.

Mrs. McCauley, who is also a Past Matron of Laurel Chapter in Montana and has served as Grand Organist for the State of Montana, had a number of out-of-town guests present for the reception.

The retiring Worthy Matron and Worthy Patron presented gifts to their line officers. Refreshments were served by Ruth Torgerson and her committee.

Flemings Hosts

Mr. and Mrs. Thomas J. Fleming will be hosts at a cocktail party at their home at 555 Via Lola Saturday evening honoring the Roy Sorensons of Chicago.

The Sorensons have just returned from vacationing in Honolulu.

W. A. Moncriefs Stop Over Here

The W. A. Moncriefs, who have a home in the Tahquitz River estates, are now at the Town House in Los Angeles after spending a few days in the Village. They flew in to Palm Springs in their DC 3 from Fort Worth, dined at the Racquet club and spent the night here.

Shirley Lockett Home for Holiday

Shirley Lockett, daughter of the Don Locketts, is home from Palos Verdes college for Thanksgiving week with classmate Joan Hunting of Portland, Oregon, as house guest. They will be joined for the holiday weekend by house guests Mr. and Mrs. Ainsworth and their son David of Wichita, Kansas.

Cotillions Set for Saturday Delayed Week

Due to conflicting activities on November 29, the Junior and Senior Cotillions scheduled to be held at the Palm Village school that night have been postponed until December 6.

Under the direction of Mr. and Mrs. T. R. Gollatz, the Cotillions have held one party already this season, which was highly successful. A series of 10 parties are planned for the winter months.

The Cotillions are still open to membership. Those interested should contact Patronesses Mrs. Robert Levin, Mrs. Herman Reich or Mrs. Marguerite McCarthy.

Las Posadas to Feature Girl in Leading Role

For the first time in several years, southern California's famed play of Christmas in Old Mexico, "Las Posadas," will feature a little girl rather than a boy in the leading role. The colorful drama will open a six weeks engagement Wednesday at the Padua Hills theater.

The tiny heroine of the Mexican Players is six-year-old Yvonne Alba, who played a minor role in a previous production. Lila Ramirez de Jara will play her mother, and Jose Alba, her father, in the drama of Christmas Eve in a humble home in Mexico.

Others in principal roles include Alfonso Chavez as the beneficent villain; Francisco Velazquez, as a priest; Gilberto Flores, as a pinata vendor, and Francisco and Olivia Alba as friends of the heroine. The play, which introduces all the Christmas customs of Mexico, is being given for the 21st year by the players.

Included are such picturesque customs as building the nacimiento, or family shrine; breaking the pinata, or substitute for the Christmas tree; a colloquio or shepherds' play, the traditional itany; and a glamorous holiday fiesta.

Mr. H. H. Garner, president of the board of Padua Institute, which sponsors the players, with Mrs. Garner, is on a motorcar trip down the west coast of Mexico and into the interior, his first vacation trip in many years. While he has not disclosed any definite plans, it is expected that he will bring back ideas for future Mexican Players' productions.

GOING ABROAD—Mrs. Walter Martin, who is leaving in mid-December for a six-weeks visit in Sweden, was honored at a luncheon given by Mrs. Beryl Naylor at Holiday House on Tuesday.

Mrs. Martin Honored at Holiday House

Feting Mrs. Walter Martin, who is leaving in mid-December to visit her son and his family in Stockholm, Sweden, Mrs. Beryl Naylor was hostess Tuesday at a luncheon for 12 at Holiday House.

Mrs. Martin is making the trip by air so table decorations were miniature airplanes and a replica of a Viking ship, with Scandinavian airlines folders as placecards. Massed chrysanthemums centered the attractively appointed luncheon table.

An out-of-town guest was Mrs. Alan Rabbett of Palo Alto, a

guest at Holiday House. Mrs. Martin's son is Col. Frederick M. Sperry, military attache in Stockholm. The Sperrys have twins, born this year, and three other children.

Mrs. Martin, who is active in the Palm Springs Woman's club, expects to be abroad for six weeks.

Burnetts Honored at Cocktail Party

Mr. and Mrs. Roy Burnett and their daughter Miss Gayle Shoel, of Portland, Oregon, are staying at Random House and were the inspiration for a cocktail party hosted by Mr. and Mrs. Ralph Dietrich last Saturday night.

Among the guests were Louella Parsons, Margaret Etinger and Mrs. John Haskell (Dorothy Manners).

School Nurse at Health Meetings in Los Angeles

Miss Elizabeth N. Pukas, local school nurse, attended the meeting of the executive board of the California division, American School Health association on Saturday in Los Angeles.

Miss Pukas was a member of the panel representing California school nurses at the Fall Institute of the American School Health association at the Forshay Junior high school, Los Angeles.

Dr. George Tarjon, superintendent of Pacific Colony, was the guest speaker. The topic, "Normal and Abnormal Emotional Disturbances of Children," was presented and discussed.

Following the institute, Miss Pukas attended the meeting of the executive board of California School Nurses organization to plan the annual convention of school nurses for January 24, 1953.

SALTON SEA BEACH MAY RECEIVE RELIEF

Threatened with loss of their property by the rising Salton Sea, Desert Beach home owners appeared before the Coachella Valley County Water District board Tuesday and although not given a direct promise of satisfaction were given a hint that they eventually be paid for their loss.

Chief spokesman for the delegation was Mary Horsley, resident of Desert Beach for four years. Desert Beach people do not hold themselves more important than Coachella Valley farmers but feel they should be compensated if they must lose their homes because the farmers send so much waste water into the sea that it engulfs them, Mrs. Horsley told the board.

WATER BOARD members made comments which contained hints that some solution will be reached. This coincided with Mrs. Horsley's statement outside the board room that a "condemnation survey" of Desert Beach was made last Spring.

Earl Redwine, legal counsel for the district, after hearing board members say that most of the water flowing into the Salton Sea comes from Imperial Valley and even from Lower California, stated that "we'll stand accountable for our share."

WHERE CVCWD Manager-Engineer C. S. Hale mentioned the flow from Mexico into the sea, Redwine told the group that exact measurements are available on where all the flow originates.

He told the Desert Beach group to get that information and then "line the boys up." When a member of the delegation said the two districts (CVCWD and Imperial Irrigation District) "should get together and buy us out" Redwine said "that might be the solution."

Col. Dean Back from Meetings at Long Beach

Col. Dodge Dean, commanding officer, 9348th Volunteer Air Reserve Training Squadron, has returned from a two-week active duty tour at Long Beach, Col. Dean and Col. Forrest Reardon gave a report of their experiences at the War College.

Next Monday evening at 7:30 at Palm Springs high school Col. James R. Ketchersid will give a demonstration of the "Military Affairs Board of Officers." Captain Claire Ballagh coach at the Palm Springs high school will direct the skit "AI Intelligence Collection."

The film "The Army's Static and Accounting System" will be shown following the demonstration and skit.

All numbers and visiting reservists are urged to attend this meeting.

California to see billboards," Rink said. "The welfare of our valley is of sufficient import that we'll have to do something about it."

Rink recounted how a large outdoor advertising company had told him that as a public official he should not criticize their business.

He said he responded that as a public official he represents the people and that it is the people's taxes that build the highways.

Rink urged something be done about abandoned automobiles and other eyesores on the desert, because, he said, they are the first thing the tourists see.

"Civilization defiles the earth's natural beauty," Rink said, adding: "We stand the chance of wrecking all we have here on the desert."

Referring to encroaching smog, Rink said: "None of us is going to escape. It's not helping southern California. We must not be self-satisfied and blind to what is going on."

Classes will be resumed Monday morning, December 1. The central school office, however, will be open on Friday.

Bock Files Notice of Appeal in Redistricting Case

Official notice that Superior Court Judge Thomas O'Donnell's decision Thursday in the councilmanic redistricting case will be appealed was filed Wednesday by Attorney Leonard Bock.

Bock originally had expected to file the appeal notice with the District Court of Appeals on Monday, but a judgment of the findings by Judge O'Donnell, needed before an appeal is filed, was not signed until yesterday.

Judge O'Donnell ruled that it would require an enabling act by the California Legislature to change the present boundaries of the seven councilmanic districts, in support of the arguments presented by City Attorney Roy Colegate and his assistant, Jerry Bunker, representing the defendants—city council as the governing body of the city.

Bock, who represents the five plaintiffs Sal Alessandro, Francis C. Blotter, F. H. Swendehelm, Jr., Don R. Seiler and Joseph P. Palozzi, said that he hoped the appeal hearing before three judges would be held in January.

Eisenhower Confirms Sun Hoffman Story

Winter Resident Will Not Accept Post in Cabinet

Confirmation of statements made by Paul G. Hoffman in an exclusive interview with The Desert Sun was given Sunday by President-elect Dwight D. Eisenhower's announcement that he regretted exceedingly that "he (Hoffman) does not feel that he can accept a government post at this time."

In the interview reported in the November 20 Desert Sun, Hoffman stated: "I have made it quite clear that I am perfectly satisfied with my present position, and that I am not seeking any job."

THE FORD FOUNDATION president and director, who has leased a home at the Smoke Tree Ranch for several months, told of his trip to New York and that he would visit Eisenhower, but added that it would be a social visit with "Ike and Mamie," whom he has known for many years.

Eisenhower, after meeting with Hoffman, issued the following statement: "I deeply appreciate the great contribution made by Mr. Hoffman to victory and regret exceedingly that he does not feel that he can accept a government post at this time. It is gratifying to know, however, that his qualities of character and ability will be available to me and my administration."

EISENHOWER'S press secretary, James C. Hagerty, elaborated on the last sentence of Eisenhower's statement, saying: "Of course, Mr. Hoffman will be available for consultation and advice as well as for temporary, emergency assignments, should the President-elect want to call on him."

Hoffman, who was one of the main Eisenhower campaigners prior to nomination, before he accepted the Ford Foundation post, served as head of the Economic Cooperation Administration for two and one half years, and prior to that was president of the Studebaker corporation.

TWENTY-SIXTH YEAR

The Desert Sun

Page One-B Palm Springs, California, Thursday, November 27, 1952 Second Section

The Other Side of the City Hall

by CITY MANAGER RUSSELL RINK

The recent rains point up a problem that results from sins of the past. Palm Springs has many miles of streets that were paved without concrete curbs. The practice stemmed from the wish of subdividers to save money but it has also been fostered by some as good engineering practice.

This latter argument follows the well-intended but erroneous logic that a street without curbs allows the water to run off the edges. What happens after it runs off the edges? Well, it's supposed to soak into the ground, and that it does when the precipitation is light. But during a hard rain the soil becomes saturated and the water can do nothing but run down hill.

ABOUT THIS POINT you may be wondering if we had forgotten that highways are constructed without curbs. No we haven't. If you will observe carefully you'll note that highways are always built above surrounding ground. The rain falling on the paved surface runs into ditches on one or both sides of the highway.

Residential and business streets could be built the same way but users of adjoining properties would find the ditch inconvenient to cross. Instead of being built above adjacent lands, city streets are constructed a few inches lower than abutting property so as to drain storm water away from the buildings. But when these streets are built without curbs the water erodes the soil at the edges of the pavement. The edges break off or ravel and the pavement falls. In addition to forming the edge of a water channel, a curb serves the same purpose on a paved street as a seam or seldage on a piece of cloth—it keeps the edge from raveling.

THE CITY'S subdivision ordinance no longer permits subdividers to install streets without curbs so the proportion of problem streets will grow smaller as time goes by. You might say we put a curb on the former practice!

While on the subject of rain and streets did you know that the more densely inhabited a city becomes the greater the amount of storm water that must be handled? Every time a roof is built, a driveway, sidewalk, or patio laid, a comparable area of soil that formerly soaked up some rain is now made entirely impervious to water. (If the roof isn't, you sure tell the contractor about it.) It is not unusual to find that half the ground in a residential neighborhood has been sealed up. In the business section 100% may be sealed off like paraffine on a jelly jar.

When this condition prevails every drop of rain that falls must be carried away by streets and storm drains. Man certainly makes life complicated for himself.

Summer Tourist Business Best in Many Years

Southern California's tourist business this Summer was one of the best in years, and so far the Fall season is continuing high, the All-Year Club reported today.

Nearly \$90,000,000 was spent here by out-of-state tourists during the months of September and October, according to George J. O'Brien, president of the community organization for handling the tourist advertising.

THIS WAS NEARLY 7 per cent more money than the same period a year ago.

Fall started off with a mild gain of 2.6 per cent in September and then boosted to a 12.5 per cent jump in spendings during October. November completes the Fall season.

"MORE THAN HALF of this \$90,000,000 was spent directly in retail trade throughout southern California," O'Brien said. "The rest was scattered over many lines of business. Eventually these dollars will reach virtually every resident of our area."

During the past year the tourists poured \$484,607,000 of out-of-state money into the southland, a gain of 2.3 per cent over the year before.

Prowler Report Reveals Secret

Report of a prowler at 859 Avenida Olivas brought about the discovery that a man has been "living" under a large tree in the vicinity of Indian avenue and El Alameda, police reported.

Mrs. Gwyneth A. Cobb reported to police that between 8:30 and 9 p. m., Saturday, a prowler opened the back door of the guest house at the rear of the property, and that the suspect ran away when asked "who is there?"

A check of the area produced a pile of clothing and milk cartons underneath the tree.

Air Horn, Other Loot, to Burglar

Joe Leonard, 2200 South Palm Canyon drive, reported to police Saturday that an air-horn and controls valued at \$85, and 35 gallons of gasoline had been taken from his truck-crane while it was parked at the rear of Palm Springs Cleaners, 440 South Indian avenue.

Bracelet Missing

Mrs. G. G. Williams of the LaFonda hotel reported to police Sunday the loss of a gold bracelet valued at \$200.

Price Program to Include Riverside County Dec. 1

The Office of Price Stabilization announced this week that its community pricing program for dry groceries will begin in Kern, Santa Barbara and San Luis Obispo counties and in portions of Los Angeles, Riverside, San Bernardino and Ventura counties not already operating under the price posting plan, on December 1.

This program, in successful operation in most of Los Angeles and San Diego counties since October 13, enables shoppers to tell

at a glance the ceiling price of approximately 400 grocery items. These, selected from the thousands of items on sale at most markets, are most commonly purchased. They include baby foods, cheese, cookies, luncheon meats, canned soups and preserves.

The ceiling prices appear on an OPS single-sheet poster which the merchants display.

In announcing the extension of community pricing, George J. Seros, southern California director of price stabilization, pointed out the following:

1. The grocer is still free to sell below posted ceilings and give special bargains.
2. Food prices fluctuate, at the farm and at wholesale. The posters will be kept up to date. There will probably be some changes each week.
3. About 70% of the goods in the average grocery store are under price control, even though many are not listed on the posters.

Of the 30% representing items that are not under price control, Seros stated that canned, frozen or fresh fruit and vegetables are

L. M. Thompson, Former Villager, Dies in Beaumont

Funeral services for Lewis M. Thompson, 64, Beaumont, former owner of the La Cita Restaurant in Palm Springs, were conducted Monday morning at the Weaver Mortuary Chapel in Beaumont. Interment was in Sunnyslope cemetery there.

Thompson died Friday morning at Redlands Community hospital following a long illness. Born November 3, 1888, in New York, he had lived in California for the past 25 years. He operated the La Cita Restaurant here before moving to Beaumont, where he owned the Beaumont Drive-In Cafe.

There are no immediate survivors. The most important. These were specifically exempted from controls last June, when Congress adopted the Harrison Amendment to the Defense Production Act.

C. of C. Ballots for Directorate Now Being Voted

Ballots were being received this week by members of Palm Springs Chamber of Commerce for election of six directors for two-year terms which will expire in December, 1954.

Terms of six directors expire this December, three are seeking re-election. They are Earl Coffman, O. A. Torgerson, Stanley Rosin. Three declined to run again. They are O. B. Jaynes, Florian Boyd and Fred Ingram. The ballots must be returned to the Chamber office by December 2.

New directors will be installed at the annual Chamber dinner at El Mirador hotel, January 13.

Listed on the ballots were the names of George Brown, F. R. Clausen, Joe Gamble, George Gannon, Keith Herbert, Frank Miller, Bert Mennell, Warren Strebe, Sam Taylor, Coffman, Torgerson and Rosin.

Carnation CORNER

WHEN THE FRAGRANCE of roasting turkey begins to waft through the house... and the kitchen is a beehive of festive "doings"—who would change places with a citizen of any other country in the world?

Do your plans include the traditional pumpkin pie? If so, here are a few hints...

CRISPER crust if you bake pumpkin pie 15 min. at 425° F., then at 350° F. for remaining time.

STEAM pumpkin in double boiler to bring out the true flavor.

A STRIP OF CLOTH dipped in cold water and bound around the edge of the pie plate will keep the filling from overflowing.

Carnation Whipped Cream is the ideal topping...to save a last-minute flurry, here's

HOW TO WHIP CREAM AHEAD OF TIME

Beat Carnation Whipped Cream until it holds soft peaks—about 2 minutes for 1 cup (makes 2 cups whipped cream). After whipping put bowl back in cold part of refrigerator (near ice cube section) at once. Add sweetening or flavoring just before serving.

General Hints: Always store Carnation Whipped Cream near the ice cubes. The bowl should be deep enough so cream covers beater blades halfway.

Ye Original Pumpkin Pie

Away back in Puritan days, pumpkin pie was the pumpkin itself! The top was sliced off, the seeds scooped out and the pumpkin filled with cream, spices and maple syrup sweetening. The "pies" were baked in hot ashes—and eaten right out of the shell with a spoon.

USING LACE DOLIES for your Thanksgiving table... those precious fine ones made by Great Great Grandma? Small, fragile lace pieces are best washed by shaking them with mild suds in a mason jar. Rinse them the same way, pin to a Turkish towel to dry.

Turkey Tetrazzini

(A delicious casserole that glorifies the last bits and pieces of the turkey—the good flavor enhanced by a rich cream sauce made with dairy-fresh Carnation Half & Half, 4 to 6 servings.)

CREAM SAUCE: Prepare 2½ cups sauce by combining ¼ cup butter with ¼ cup flour over low heat until smooth. Gradually add 2 cups (1 pint) Carnation Half & Half and 1 teaspoon salt. Stir over low heat until thickened.

TETRAZZINI

2½ cups Carnation Cream Sauce
2 cups cooked turkey, cut in thin strips
1 cup cooked spaghetti
1 cup diced cooked mushrooms
½ cup grated parmesan cheese
1½ cups buttered crumbs
1 teaspoon celery salt

Combine cream sauce, turkey, spaghetti and mushrooms and place in buttered casserole. Sprinkle with mixture of cheese, crumbs and celery salt. Bake in hot oven (425° F.) until brown.

IF YOUR CARVING STEEL is mislaid, carving knives can be whetted first on coarse sandpaper, then on fine.

LEFT-OVER MASHED POTATOES become a gourmet's treat if mixed with an equal amount of diced turkey, a little minced onion and celery in a buttered skillet. Brown over low heat. Add 1 cup of Carnation Half & Half in last few minutes of cooking.

Church to Mark Mission Holiday at Cathedral City

Cathedral City Community church will observe next Sunday as the 150th anniversary of the oldest home missionary organization in the nation, the Board of National Missions. The pastor, Dr. Graham Hunter, will speak on "That this nation under God may have a new birth; spreading the good news across the country."

The church also will observe the first Sunday in Advent by lighting the first of four Advent candles. Each department of the Sunday school takes its turn in lighting them, the kindergarten first.

December 7, the church will observe the Sacrament of the Lord's Supper and receive new members.

Mrs. Hunter will address the women of Calvary Presbyterian church of Riverside next week on her observations of social conditions in Europe.

Urge State Shrine on Desert Where Troops Worshipped

Establishment of a state park as a shrine to commemorate religious services held in the desert areas in this county by military men in training there for the African campaign of World War II was proposed to the subcommittee hearing of the state interim committee on public lands in San Bernardino Friday.

It was also proposed that the park be named "Patton State Park" in memory of Gen. George S. Patton who commanded the mechanized units that trained in the Riverside county desert near Desert Center.

THE PROPOSAL was made by the representatives of the district American Legions, Native Sons of the Golden West and Reserve Officers Association.

Shrines of natural rock were built as worship sites west of Rice and south of Iron Mountain off the Desert Center-Parker Dam road by troops when they were in training there.

GREAT NUMBERS of the three quarters of a million troops who trained there have returned to the site to show their families

where they worshipped, the hearing brought out.

Sen. James Cunningham conducted the hearing and assured the petitioners the committee plans to recommend the park at the next session of the legislature.

Anniversary for Dr. Macartney at Palm Desert

Marking the fourth anniversary of the first service held by Palm Desert Community church, services will be held this morning at 11 o'clock with Dr. John Macartney officiating.

History of the church will be recited by Carl Henderson and there will be special music for the occasion.

Dr. and Mrs. Macartney will have Thanksgiving dinner in the new Manse today. Members of the congregation are invited to inspect the new Manse after today's services.

Next Sunday Sunday school classes will meet at 9:45 a. m. with preaching and worship service at 11 a. m.

Yerxa to Build Healing Shrine on Canyon Site

At 2 p. m., Sunday, the dedication of the beginning of a healing shrine, known as Altar in the Wilderness Shrine will take place in a rugged canyon close to Cabot's Old Indian Pueblo, Cabot Yerxa, descendant of John Cabot, the explorer, and discoverer of the healing waters of Desert Hot Springs, 40 years ago said that some day he would build a healing shrine on the desert. Within a few months that dream will have become a complete reality. The architecture, like the Old Pueblo, will carry out the Old Indian idea. The shrine will be circular in shape and built after the fashion of the Biblical Shrine in the wilderness. It will be non-sectarian, open to all nationalities and creeds, Yerxa said.

Reverend Jessie Curl, of London, England, internationally known healer, will be present.

CHRISTIAN SCIENCE CHURCHES CONDUCT THANKSGIVING SERVICE

Thanksgiving Day services will be held in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston.

Thanksgiving Proclamations by the President of the United States, or by the Governor of the State, or both, will be read as a part of the service.

"O sing unto the Lord a new song: sing unto the Lord, all the earth." This verse from the Psalms (96:1) will be the Golden Text of the Thanksgiving Day Lesson-Sermon.

Bible citations point out that God is the source of true being and meets all needs. In I Chronicles (29:11,12) David declares, "Thine, O Lord, is the greatness, and the power, and the glory, and the victory, and the majesty: for all that is in the heaven and in the earth is thine;... in thine hand is power and might; and in thine hand it is to make great, and to give strength unto all."

"Are we really grateful for the good already received?" questions Mary Baker Eddy in the Christian Science textbook, "Science and Health with Key to the Scriptures." She continues, "Then we shall avail ourselves of the blessings we have, and thus be fitted to receive more. Gratitude is much more than a verbal expression of thanks. Action expresses more gratitude than speech" (p. 3).

A period will be set aside for the giving of testimonies by Christian Scientists appropriate for the occasion.

Concluding Talk on "Challenges" by Dr. Blackstone

Dr. James H. Blackstone, Jr., minister at Palm Springs Community church, will speak on "The Challenge of Witness" at Sunday morning's 11 o'clock service. It is the last in a series of talks on the challenges of Christian life. Special music has been arranged.

Attendance at Sunday school, which meets at 9:30 a. m. has averaged almost 300 each Sunday so far this season, the minister said.

Youth Night services at 7:30 Sunday evening will be conducted by Harry MacDonald, southern California representative for Young Life. The Young Life ranches are located in Colorado and each Summer there is an active Christian program for high school students at all three places.

Christian Endeavor societies meet at 6 p. m. for Junior and Senior high school groups.

Thanksgiving Day Services Today

Special Thanksgiving Day services will be held at Community church this morning at 10:30.

Dr. James H. Blackstone, Jr., minister, announced this week. His subject will be "The Thanksgiving of a Nation."

A double quartet and a duet by Mrs. Frederick Watson and Miss Ann McDowell, will be heard in special music.

"With the added problems this year it is essential that all Americans who love their coun-

Adventist Leader Speaks Saturday at Local Church

H. H. Hicks, president of the Southeast California Conference of Seventh-day Adventists, will speak Saturday at the 11 a. m. service at the Seventh Day Adventist church, corner of Riverside drive and Camino real.

Elder Hicks, the director of the denomination's 12,000 members in the five-county region of southeastern California, will give the keynote message in Palm Springs beginning a devotional week known around the world to Adventists as the Week of Prayer.

"We feel that now as never before, Christians everywhere should pray for peace and for the guidance of our nation's leaders," said Pastor Wilbur Nelson who has invited the Adventist director to take his pulpit this Saturday.

Second in Talks at Temple Isaiah

Rabbi Arthur B. Lebowitz Tuesday night delivered the second in a series of lectures with this week's topic being "Customs and Ceremonies."

A discussion period followed and there was a program by Samuel Fordis, Los Angeles violinist and soloist.

The meeting was held Tuesday instead of last night because of today's Thanksgiving holiday.

Gas obeys you instantly

NO LINGERING HEAT—NO BOIL-OVERS!

WHAT AUTOMATIC MEANS

When your gas range is fully automatic, you get all these modern features:

- Top burners light without matches
- broiler lights automatically, too, at turn of the control
- automatic heat control keeps oven constantly at temperature you set—does your own watching for you
- oven lights automatically as you set the temperature control
- clock control turns on and off at times you set
- timer reminds you when food has cooked time specified in recipe.

Remember, a modern automatic gas range is fully automatic!

THERE'S no trick to deep-fat frying when you cook with gas and a new automatic gas range.

The visible blue gas flame lets you see just how much heat you're using. When your thermometer rises, you can reduce the heat instantly...accurately. When you need more heat, you have it at once. No waiting ever! And when you shut gas off...it's really off! No captive heat lingers in your burner to over-cook foods or cause messy boil-overs. With gas, you're always in complete command. No other practical fuel is so responsive to your cooking needs.

For cooking at its easiest and best, install a new automatic gas range. See the gleaming displays at dealers or your Gas Company.

You'll be pleased to learn that new automatic gas ranges cost less to buy...less to operate. Choose yours today!

Guild Elects

Catholic Women's Guild of St. Louis Parish elected officers for the coming year at its regular meeting Wednesday night. Those chosen were: Mrs. F. J. Keefe, president; Vernon Krings, vice president; John Palmer, secretary; and Robert Irvine, treasurer. Al Burnaugh, publicity and Emma Hamill, sacristan. The Rummage Sale is again under way in the Almacey building (across from the Texaco station). It will run this week, ending on November 28. The women have a new and larger stock of clothing, furniture, costume jewelry and what-nots and have reduced the prices to rock bottom for a quick sale. December 6 in the Cordes store next to Milner's 5 and 10 cent store. Father Leissler wishes to thank all the merchants both in

ously donated food for the turkey dinner, held in the church hall on November 8. The dinner committee apologizes to those people who arrived in the mid-evening and had little turkey or no dinner at all. The workers under-estimated their drawing power. A third more people appeared than had been anticipated but plenty of reserve food will be on hand for all future banquets it was stated. The turkey dinner is to be an annual November affair. The second annual Italian dinner is scheduled for mid-January, and the fifth ham dinner will be served in March near St. Patrick's Day.

CVAPC Meeting

Cathedral City Town hall was designated for the next meeting of the Coachella Valley County Advisory Planning committee to be held Wednesday, December 17. This action was taken at last week's meeting which was held at Desert Hot Springs. Attending from Cathedral City were W. R. Hillery, C. S. Cobb, Paul W. Clark and Mr. and Mrs. Est to Cathedral City where there L. C. Lewis. Of particular interest have been many complaints of the indiscriminate dumping of refuse on the highways leading into the village was the announcement of the payment of a reward for information leading to the arrest of a violator. The reward was paid for an offense which occurred near Indio, and it was hoped would have a salutary effect throughout the area.

Club Meeting

Cathedral City Woman's club will meet next Wednesday, December 3, for luncheon in the all-glass dining room of the Desert Air hotel in Rancho Mirage. The program of the day will feature "Vacation Lands" with Janice Olman of the Palm Springs Travel Service as guest speaker. World travelling club members, Marguerite Hillery, Meta Ellinger and Edna Cobb will give high lights of their extensive travels in Europe, Hawaii and the United States. Clara Tambling, club publicity chairman, said that President Alphamay Larison urges members to attend the Riverside County Federation executive board meeting at Banning on December 5. Edna Cobb, ways and means chairman, has outlined club money raising events for the year including the sale of desert stationery, eye-glass cleaners and vanilla, an apron sale at the December 17 luncheon, annual style show February 4 and on February 18 the annual pot luck dinner and home talent theatricals. Mrs. Tambling also reports the announcement of Wilma Gordon of a December 13 fruit cake sale to raise money for improvements on the roof of the Girl Scout house and the installation of a new sink.

Thanksgiving

Thanksgiving service will be held this morning at 10 o'clock in the Community church on Glenn avenue by Dr. Graham Hunter. The bazaar and cooked food sale held last week by the women of the church added \$11 to the \$50 already collected which is to be used to paint and repair the roof of the church, plans for which are going ahead and should be completed in the near future. Boxes and cartons were in front of the congregation at Sunday's service to bring in warm clothing and blankets to be sent to Korea where it is so badly needed. Dr. Hunter

pointed out with pride that the members and friends of the church sent nearly a ton of warm clothing and blankets to Korea last winter and stressed the tremendous amount of work it takes to sort and box that amount of material and asks for help from any who will work in this field. Baptismal ceremonies were held at the beginning of Sunday's service for Jamie Lorraine Willis, daughter of Mr. and Mrs. Edward Willis, and Michael James Colglazier, son of Mr. and Mrs. Walter Colglazier, all of Cathedral City.

Firemen's Ball

Cathedral City annual Volunteer Fireman's ball last Saturday evening at the DeLuxe Trailer Park recreation hall was both a social and financial success according to Fire Chief Charles Scherck. Proceeds are to be used for the purchase of a canister type smoke mask and for helmets for the volunteer firemen. Chief Scherck wishes to publicly thank the following Cathedral City firms for donations of merchandise: Scott's Western Wear, Al's Market, Stewart's Texaco Station, King's Chevron Station, Cathedral Pharmacy, Tampico, Mrs. Nate Cohn, Rennett's Market, Desert Tent and Awning, Desert Cafe and from Palm Springs, Pappy's Market and Bakers.

Lions Club

Lions club members were entertained at last week's meeting by a display of colored slides taken by Carl Mayfield on a trip to Mexico City where he attended Lions International convention. Bud Mhoon, civic improvement chairman, reported that plans were being made in cooperation with the Woman's club for the planting of the Broadway traffic islands to flowering shrubbery.

Around the Town

Palm Springs Mayor's Cup which was presented to the winner of the Desert Soft Ball league play-offs has been received from the engravers, suitably inscribed to Mhoon and Mhoon, sponsors of the Cathedral City club. Ada Harris, who is well known in the valley is now at Shiloh's Beauty Corral on Highway 111 in Trantview. Miss Harris operated her own shop in Crestline for the past six years. Margaret Davidson gave an interesting talk and First Aid demonstration to the Girl Scouts at the meeting Monday afternoon in the Scout House. Mrs. Wilma Gordon, one of the organizers of the troop says the girls would welcome any others who would care to speak to their group about their hobbies or skills. Visiting with the Harvey Petersons at their Desert Cove Ranch last week were Mr. and Mrs. Kumen Jones of Cedar City, Utah, friends of many years' standing. Mrs. Zoe Blackwell and Mrs.

Evelyn DaVall were hostesses for a surprise baby shower given last week for Mrs. Irene DaVall. Mrs. Uda White and Mrs. Jackie Chapel were co-hostesses. The many friends met at the home of Mrs. Blackwell and went in a group to the DaVall residence. Russ Hewitson, proprietor of Cathedral Pharmacy, has received word that John H. Montgomery, a pharmacist at the store who suffered a serious heart attack last week, necessitating hospitalization for a few days is now convalescing satisfactorily at home. Hewitson has also received word that pharmacist Richard N. Budd of Olympia, Washington, who worked here last season, has been delayed in arriving in the village on account of illness requiring surgery.

Indians Win First Game, Have Chance to Move Up

Racking up their first win of the season over Elsinore last Friday night, 6 to 0, Coach Clare Ballagh's team last night had a chance to take undisputed place of seventh and possibly move into a tie for sixth when they entertained San Jacinto in the final game of the season.

The Indians were tied with San Jacinto for seventh with a one won five lost record. Their possibility to tie for sixth hinged on their winning and sixth place Perris losing to Elsinore.

While the battle to stay out of the cellar position was going on, all interest was centered on the coming game between the undefeated teams of Banning and Coachella Friday night on the Arab's field.

Like the Palm Springs and San Jacinto, and Perris and Elsinore contests, this game was postponed by rain earlier in the season.

Bob Henderson scored the lone Palm Springs touchdown—their second of the season—on a 31-yard run. Starting around end, he cut back and eluded three Tiger tacklers to break away.

THE T.D. WAS SET up on an

exchange of punts, on which Palm Springs consistently gained, climaxed by a bad boot which went almost straight up into the air.

Elsinore never penetrated within the Indian 30-yard line, with the Palm Springs pass defense at its best this season. Besides stopping the attack, several aerials were intercepted.

Coach Ballagh's squad threatened twice prior to the touchdown, penetrating to the Elsinore 25 before the officials ruled that the Indians had fumbled when an Elsinore lineman hit Alvin Harrison's arm as he was passing, causing the ball to be thrown only about four feet ahead.

A PASS to John Laster who reached the Elsinore 10 was nullified by a penalty for two many men in motion.

Outstanding for the Indians were Bob Haveman at center, only 60-minute player of the game; Bob Henderson and Harrison. Vince Gonzales, freshman, playing his first varsity game, played well at defensive end.

Los Angeles Club Wins in Last Inning Over Locals, 6-5

Scoring a run in the ninth inning, Joe Lamasa Softball All Stars of Los Angeles scored a 6 to 5 win over a picked team of Palm Springs All Stars in their exhibition game at the Polo Grounds Sunday afternoon.

The winning run was set up by a walk, passed ball which moved the runner to second, and a single.

No more games will be played this year, as new seeding has been planted on the field. It will be in good shape by January, Recreation Director Howard Hadcock reported.

THE LOS ANGELES players, who brought their families and spent the day here, took a 2 to 0 lead in the second inning, with the Villagers coming back in the third to score five runs and

take over the lead.

In the fourth, Lamasa's Stars added one more run, and pushed across single tallies in the sixth and seventh to tie the score at 5-all and send the game into extra innings.

Maurice Smith accounted for three of the Palm Springs runs in the sixth by homering with two on.

LES SHAW and Joe Poist divided pitching duties for the Villagers, with Walt Colglazier catching. Poist took the loss. Dan Parker pitched and Joe Smith caught for the visitors.

The line score:

	P	R	H	E
Joe Lamasa	050	101	101	6 7 2
Palm Springs	005	000	000	5 7 2

Dan Parker and Joe Smith; Les Shaw, Joe Poist and Walt Colglazier.

Sullivan Wins Motor Car Dealers Golf Tournament

J. R. Sullivan defeated Willie White 2 and 1 in the finals Sunday to win the championship flight of the Southern California Motor Car Dealers Golf Tournament at Thunderbird and Tamarisk Country Clubs.

He was presented with the three-foot championship trophy at ceremonies following the tourney, and will keep possession of the trophy until next year when it will go to the tourney winner.

Both finalists are Los Angeles dealers. In the semi-finals, Sullivan de-

feated Von Moffett of Ventura 1½ and 4, and White edged Glenn Thomas of Los Angeles 1½ and 1.

White defeated Bob Fahy, last year's champion, in second round play, with the match going 19 holes before it was decided.

There were 196 entries in the meet, with qualifying rounds played Wednesday, and the tournament play starting Thursday.

In charge of play at their respective clubs were Jimmy Hines of Thunderbird and Ben Hogan of Tamarisk.

La Paz Course Ready January 1

The Palm Springs area is rapidly becoming the golfing capital of the southland.

Latest to join the courses already here will be the new La Paz course, a sporty nine-hole affair to be ready by January 1.

Manager Douglas Ross of La Paz announced that the new course will have the usual obstacles to make it a sporty one. The longest hole will be 150 yards.

The course will be open to the public on a green fee basis.

Unspoiled Desert Near New Stables

Dutch Myers, well known Palm Springs horseman, is opening a new riding club and stables December 15 on Ramon road, adjoining the 1500-acre Hidden Springs ranch, 15 minutes east of Palm Springs. Myers was for several years at Smoke Tree ranch stables with Tex Miller and George Rasmussen.

The new riding club and stables was organized to meet a growing request of riders to start their treks out in the virgin desert. Myers said. The stables open some 100,000 acres of unspoiled desert with many palm canyons. Pushwalla canyon is only three miles from the riding clubhouse and the area around Thousand Palms is frequently referred to as the "horsemen's paradise." The area is one of the few unspoiled desert spots within easy reach by paved roads.

Myers will maintain a variety of stock for adults and children.

Fire Season Officially Ended

Says U. S. Senate

The 1952 fire season is officially at an end in the San Jacinto mountains, U. S. forestry officials stated last weekend.

Sufficient moisture has penetrated the ground to end the threat of fire it was reported. More than three inches of rain fell between November 14 and 17 in the local mountain area and the season's total is now almost eight inches.

Indian Cagers to Start Season Monday Evening

Coach Clare Ballagh has called the first practice for his Varsity cagers for next Monday, with the football season officially closed last night in a make-up of the postponed game with San Jacinto.

Students have an official vacation the rest of the week, due to the Thanksgiving Day holiday.

Eleven players have signified their intention to report for practice, but Coach Ballagh is faced with a similar situation as at the start of the football season—with no lettermen returning.

TWO PLAYERS, Gerald Egbert and Larry Colton, saw action in some of the Varsity games last season, and two move up from the Jayvee squad. David Zirin-sky and Doug Smith. John Laster also earned a junior varsity letter, but with Coachella.

Others who will definitely be out are Kenny Price, Harold Smith, Ray Drebbis, Don Rasmussen, Alvin Harrison and James Laster.

James Laster and Price will be ineligible for the first two league games, Coach Ballagh said, because of grades and not being in school last semester respectively.

THE BEE AND CEE squads will participate in the annual Bee and Cee tournament at Hemet next week, starting Tuesday. Beaumont will be the first opponent, with the Bees playing at 4 p. m., and the Cees at 5 p. m.

Practice has started for the Cees, and the Bees will get in a few practices before the tournament, but it will be limited, Coach Ballagh said.

Corliss Proud of Performance of Lincolns in Race

Ray Corliss of Palm Springs Lincoln-Mercury, was elated this week at the results of the annual Mexican road race, sponsored by the government of Mexico from Guatemala border to United States border at Juarez.

The race, lasting five days and covering 1961 miles, ended Sunday. Out of 67 stock cars entered, 29 finished and the first four places were taken by 1953 Lincolns, Corliss said.

Charles Stevenson of Lynwood drove the winning Lincoln and his time for the race was 21 hours, 15 minutes and 13 seconds. Only 31 seconds behind him was another Lincoln driven

by John Mantzen.

Average time for the run was 95 miles per hour.

Ray Crawford who makes his home at Flying H ranch here, was forced out of the race when his car spun during the rugged driving.

The race was divided into two classes, stock and sports cars. Two Mercedes-Benz from Stuttgart, Germany, finished one-two in the latter class, driven by Karl Kling, winner, and Hermann Lang, second. Both are from Stuttgart, Germany.

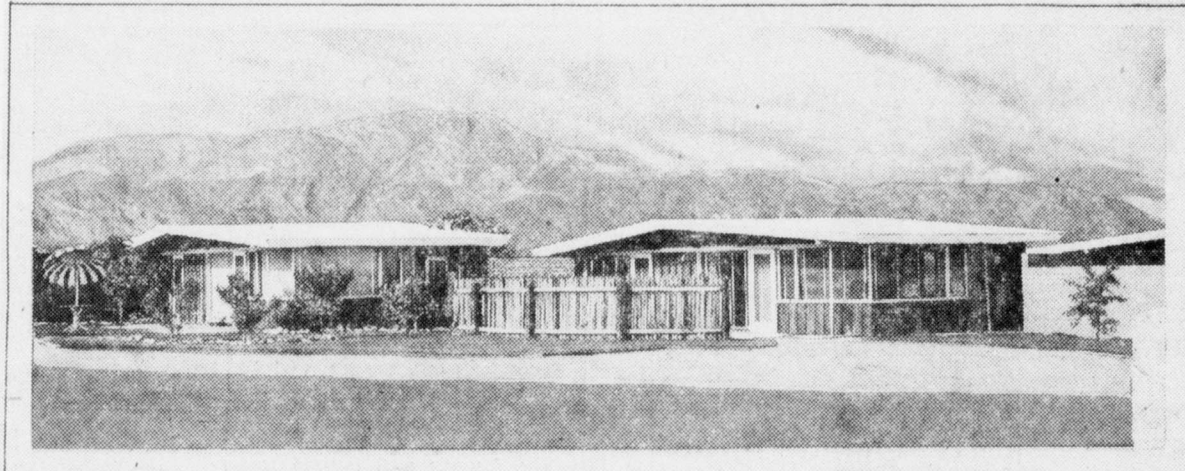

Thanksgiving
Greetings
to all our friends

On this glorious American holiday we all pause from our daily activities to render our appreciation for the many blessings He has delivered us, for the freedoms we enjoy, for the richness of our fields and factories, for the promising future we face together. The "Thanks" we offer are indeed from deep in all our hearts.

pledged his best efforts for the benefit of the desert area's citizens and assured the Coachella Valleyites that he intended to represent every section of Riverside county fairly and to his very best ability.

THE ASSEMBLYMAN-ELECT was introduced by Philip L. Boyd, Riverside civic leader and first mayor of Palm Springs who till 1948 represented this district in the state assembly.

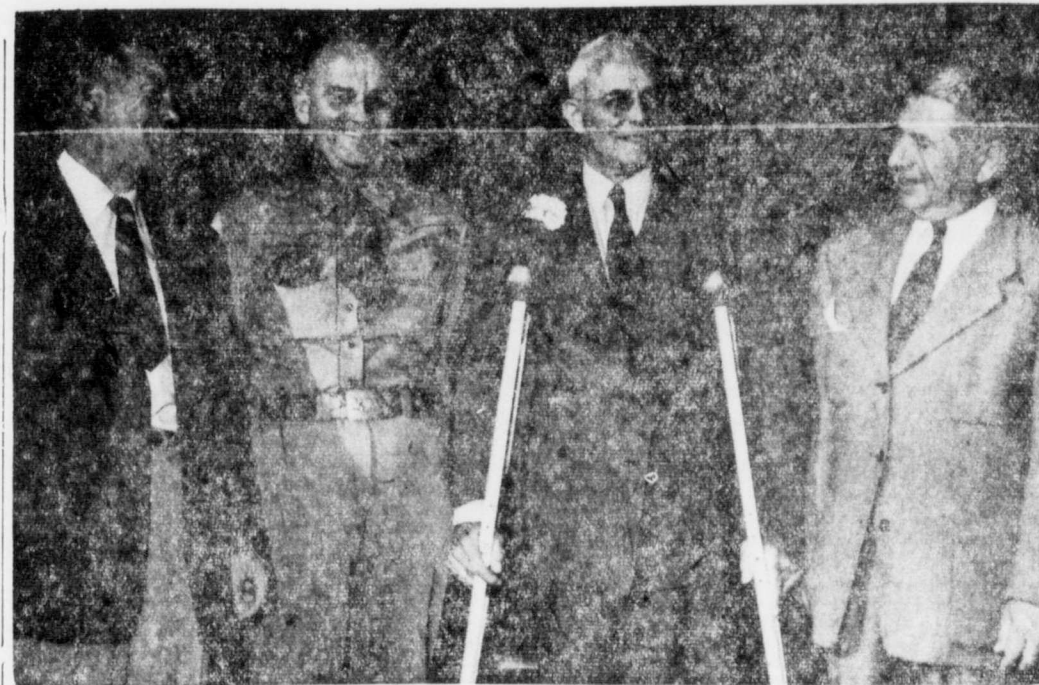

Boyd stressed the need for deeper understanding and closer cooperation between the east and west sections of Riverside county, and assured his Coachella Valley audience that the county seat has no desire to dominate the rapidly-growing desert areas.

PRESENT at the luncheon besides the hosts and assemblyman-elect were:

Harold Hicks, Earl Strebe, Herbert Samson, Jerry Nathanson, Ted McKinney, Frank Miller, Russell Rink, O. Risvold, Joe Gamble, Tom Kieley, Dr. Hugh Stephens, Stewart Williams, John Clark, Homer Varner.

Bill Mason, Roy Colegate, Dewey Metzdorf, George Thompson, Hilton McCabe, Warren Slaughter, Jack Williams, Dr. A. G. Hoff, George Rinkley, L. C. Lewis, George Wheeler, Stanley Rosin, O. A. Torgerson, Robert McKenzie.

Frank G. Ingram, Francis Crocker, Ed Davidson, Frank Prince, George Gannon, George Olman, John Wood, Bill Dunkerley, James Sealey, Roy Sorum, Bill Hillery, Lovell Chambers, Bill Foster, Phil Boyd.

FOR ASSEMBLYMAN—L. M. Backstrand, left, was honored Friday at a Desert Inn luncheon presented by Earl Coffman and George Roberson, owner-managers of the Inn. Phil Boyd, first mayor and former assemblyman, Homer Varner, fourth district supervisor and Coffman are shown with him.

Palm Desert Sunbeams
By EDITH EDDY WARD

Well, it looks like an early Spring, already! There are compensations for everything and while the past two or three weekends have been cold and not at all conducive to sunbathing, the recent rains have so thoroughly soaked the parched desert soil that already the dunes are turning green. Noticed yesterday that all along the sand dunes visible from the road to Indio tiny plants are springing up. Unless some unexpected frost sets in to freeze them—and that very seldom happens—a very fine flower show along our desert roads is right now on its way.

Our desert sand is the very finest kind of soil and almost anything will grow in it with water. It is quite astonishing how little encouragement it requires to make of the barren dunes a veritable Garden of Eden with sand verberna, dune primrose, desert gold, spectacle pod and a host of other flowers, of all colors and sizes and forms. It begins to look like such a display is due this year.

And speaking of desert flowers, wonder why more people don't make use of desert shrubbery for landscaping instead of those expensive and uncertain semi-tropical plants folks seem to think they just simply have to have. People load up with plants that need lots of water and then they find themselves tied down. If they want to steal a week or two in the city some-one has to be engaged to keep staff watered. If they could just get converted to using our native desert plants they could leave whenever they wished and not have to worry too much about watering while they are gone. Desert plants can take neglect for long periods without suffering.

What is more lovely than a desert palo verde tree in bloom! Its golden cascades of bright yellow flowers shed gaily all over the yard! And mixed in with a couple of these typical desert trees could be a nice jacaranda tree, with its deep purplish blooms. Some folks admire the desert smoke tree. Ever see one in bloom? They are a solid mass of the deepest blue flowers you ever saw. A friend of ours, Ted Hutchinson, who runs a desert nursery up Barstow way, raises them from seed and sells them for as little as a dollar a plant. Desert holly, too. Desert holly, watered occasionally, make a most attractive low bush. Then there is chuparosa, encelia, a dainty little number named "fairy duster" and a whole host of the most colorful and attractive desert plants, all easily obtainable from Ted and all acclimated to this type of country and requiring not much water. The sages and several other plants add character to any lot. One nice thing about desert flowers, too, is that they attract the birds with their luring songs; and some will even be enticed into nesting close by. Most of these plants are very hardy perennials and most of the annuals re-seed themselves. And they appreciate but do not demand much water. For the more spacious yards, there are such desert bushes as Desert Lavender,

Incense Bush and ocotillo. For walls and unsightly spots, there is a dainty climbing plant of the greenest green imaginable, with the long botanical name brandegee bigelovii which replants itself, grows very rapidly and spreads in a rich emerald mantle.

SHADOW MOUNTAIN ECHOES: Mr. and Mrs. Randolph Scott are vacationing for a few days in Palm Desert and Mrs. Earl Gilmore is here with her mother while Mr. Gilmore is away on a hunting trip. Robert Krumler, Landis, attorney from Dayton, Ohio, flew in yesterday for a few days visit with his cousin, Clifford Krumler, who is vacationing from San Francisco. Eddie Nelson and family have been staying in their Sun Lodge the last few days—he is Dodge dealer from Huntington Park—and another automobile family here are the Dan Potters, Chevrolet dealer from Alhambra. Otto Allgoewer's father came over from San Diego to spend Thanksgiving with Audrey and Otto. The Vernon Pecks' cocktail party last Friday was practically "taken over" by the Automobile Dealers of Southern California, who remembered the good times they had there last year.

Salton Park
Varner Pledges
Aid for Project

County Supervisor Homer Varner told the Coachella Valley Advisory Planning committee at Desert Hot Springs last week he will try to settle the water dispute which is holding up development of Salton Sea state park. He said he doesn't want to see the \$123,000 already allocated spent somewhere else. The funds became available July 1 but no construction has yet been started because the state is dissatisfied with arrangements for water. Varner said he hopes to get state and Coachella Valley County Water District officials together soon. The water district is unwilling to give the state an exact water contract it wants.

The water district points out that it doesn't give contracts to owners of land within its boundaries. It says it doesn't see how it can give a contract to the state for a park which lies outside the district. The water district contends the park's water use will be negligible, that there will always be a surplus of "regulatory" water in the Coachella Canal and that the state will be perfectly safe in going ahead under the terms which it offers.

**Thief Steals Two
Hub Caps, Report**

Theft of two hub caps from his 1949 model car was reported to police Sunday by E. M. Wright of San Jose. The theft occurred while the vehicle was parked on West Tahquitz drive, in the 200-block.

**Ask Southland Counties
to Move to Control Smog**

The smog control committee of the League of California Cities was on record today as favoring formation of an air pollution control district in Riverside county.

It passed a resolution urging formation of similar districts in San Bernardino and Orange counties.

The action was taken at a meeting of the league committee Friday in Pasadena, attended by

representatives of 20 southland communities.

At the meeting, Warren M. Dorn charged Los Angeles county supervisors with willfully failing to enforce the state's air pollution control laws.

Dorn, who is chairman of the smog control committee, said the supervisors have had in their hands aerial photographs of smog control offenders for the past four years.

He said the revelation came when the league presented the supervisors with 24 such photographs and were rebuffed for "criticizing them."

"We have since learned that the sheriff's aero squadron has been taking the same sort of photographs for the supervisors for the last four years," he said. "Apparently the supervisors have known all along who the violators are."

**Many Dwellings
Begun in Month**

November building operations continued brisk last week with dwellings predominating in construction work. Nine new homes were started in the past few days.

Permits issued recently were to:
Biltmore hotel, two additions, \$2000 and \$16,000.
B. Bourne, S. B. Forman, alteration, \$5000.
William Cornwell, apartment, \$8000.
Desert Finance company, S. M. Pascal, four dwellings, \$20,000 each.
El Mirador hotel, Swanfield company, awnings, \$5000.
Larry Jacobs, dwelling, \$11,000.
Louis Loheac, addition, \$1000.
Herman Miller, Wycoff, alteration, \$1000.
Jack Meiselman, L. Wolf, four dwellings, \$12,000 each.

**Lions Hear Talk
on Local Schools**

Dr. A. G. Hoff, superintendent of Palm Springs Unified School district, addressed local Lions Thursday at their meeting at the Tennis club, discussing school costs and other items of interest to the club in operation of the schools here.

He told Lions that Palm Springs high school has an exceptional high rating among colleges and universities.

Lloyd Mason Smith, director of the Desert Museum, was chairman for the day.

He announced on behalf of President Earl Hough that there would be no meeting today, Thanksgiving Day.

LET US GIVE THANKS

As Americans, we sometimes need to be reminded that freedom of worship is not universal; some parts of the world are still struggling to gain the freedoms we take for granted. At this Thanksgiving time, especially, let us all give thanks... each in the church of his choice... for the privilege to worship openly and without fear.

I rise--- ---TO REMARK

By JOHN PHILLIPS

Have you observed one interesting feature of the November 4 election? It is the quiet feeling of well-being which has spread over the nation. A good many elections in America are like football games with the enthusiasm and the contests and the celebrations of the victors. Oh yes, a few people have submitted to lemon pies in the face, or to wheeling an election bet winner down the street in a wheelbarrow, and of course Republican members of luncheon clubs have called the attention of their clubs to the results, only to be reminded by the Democratic members that without their help no such results would have been possible, all of which has resulted in high good humor, and visible accretions to the club's funds for some worthy cause.

THERE WAS however a lack of the customary exultation of victory. This was the American result. It confirmed the feeling, so often stated in this weekly letter, that the American people can be trusted, in the final analysis, to take care of such situations as the one which had arisen in the United States. The atmosphere today suggests that, having done so, the people, without shouting, are now returning to their normal occupations, ready to support and sustain the work, the decisions, and the sacrifices which will be needed to put our house in order again, after the last seven years.

It also suggests that again, as in previous emergencies in the history of this nation, a man or men, have come forward, usually within a relatively short time, to provide the leadership required in the emergency: Washington, Lincoln, Cleveland, Theodore Roosevelt, and now Eisenhower and Nixon.

WE HAVE MUCH to be thankful for therefore this Thanksgiving Day. For freedom, for world leadership, for the courage and the principles and the moral strength handed down to us by God-fearing forebears; for the sometimes unappreciated resources of America, and for the

initiative and self-reliance of the men and women who pushed back the frontiers and developed the United States, and not least, for the form of government which made these things possible and which we must not lose through ignorance or lack of understanding. In this quiet rejoicing, we should not forget to give thanks for California!

On the Trails

The desert is a world in itself. . . . And to those, if any, who have not found it so—rent yourself a horse for a day—and see if its trails do not lead to health and romance.

Dennis "Dinty" Moore, manager of Hotels Wilton at Long Beach and the St. Catherine at Catalina, who has been vacationing here a la trails, has truly found it so.

Also seen enjoying them recently were Dr. William G. Hunter of Pasadena as guest of Pete Peterson of the Village, and Mr. and Mrs. Ted Pierce and son Steve, of Vovina, who own their own fine stable of horses there. Mrs. Ethel Luccarelli of Smoke Tree Ranch, had riding guests from far-away Two Rivers, Wisconsin, Mr. and Mrs. H. G. Evans.

The trails boast their share of famous motion picture personalities as well. William Bendix and his daughter, Sandra, who ride from Rogers Ranch Stables, are among the regular Trail-goers. It has been the general rule of both the Desert Riders and the Los Compadres to bar automobiles at their breakfast and dinner rides. For those who do not ride horseback, but would like to attend as either members or guests, there are carts, buggies, and even a 12-seated surrey available at the various stables.

The Desert Riders held their election of officers at Sunny Cove, electing Tony Burke Roundup Boss, Ed McCoubrey, Straw Boss, Billie Moseley (reigns for the sixth year), Top Wrangler; Carol Brill, Buck Boss; Ted Slocum and Cliff as Trail Bosses.

Los Compadres held their dinner for outgoing president Elmo Purnell, at the clubhouse, for all members and their guests on Saturday night.

A special board meeting is to be called to determine the manner in which trails are to be improved. Mr. Hugh Harrison of Oakland, a well known horseman and Desert Rider, has generously offered to contribute trail signs for the project.

When this project is completed, it will open up new desert beauties to those who heretofore have not dared venture on unmarked trails.

Ray Abbey of Palm Valley Estates, has a hide-and-seek playing horse. Wandering away from the ranch it left tracks plainly visible in the freshly dampened desert until it reached the vicinity of the high school. There it apparently used the pavement. The search finally necessitated help of another horse from the Desert Inn Stables. After long hours the horse was located lazing in the sun beyond the Airport. But Ray enjoyed the game. See you on the trails.

Old Memories

In 1935 I spent five months in Palm Springs. In fact, I won the

award in the second annual Palm Springs Circus or gymnastics, as it was called in those days. Man, how I miss "Heaven

on Earth." That's Palm Springs to me—El Mirador, Del Tahquitz, Desert Inn, Doll House, El Rey, Palm Springs hotel. Charles Farrell and Ralph Bellamy were just building the Racquet club. Brother, that Farrell was sure one white guy. Now I see him on TV. Gosh, what beautiful memories I have of Palm Springs. What a wonderful place. Beauty all around. The Good Lord, they say, made Ireland. What he had left he put into Palm Springs. So now I get to the point. I want

to get the Palm Springs newspaper. In those days it was the News and The Desert Sun. Now, I think it's just The Desert Sun. But send it to me. I want to keep in touch.

Enclosed is a clipping from the News of that year.

PHIL WILLIAM LIS,
Bristol, Conn.

The clipping:

1935
"A kickback from the Circus was the arrival this week of a package of five wrist watches from Bristol, Connecticut. They were sent by Phil Lis, winner of the Ford Sedan at Desert Circus. Friends each receiving a watch were Tony Bissonnette, Cy Perkins, Leo Papendick, Wilbur Frankhauser and Pa Barnes."

force sure deserve credit for the good job they are doing.

First, in Summer they look after our homes while we are vacationing. Now we called upon the Chief as home and motel owners of the South side of town, to give us relief from the big trucks that have no business coming in through Palm Canyon, making our main boulevard dirty with straw and other rubbish; making a thundering noise while coming through at fast speed as they turn at Highway 111 so that it feels like an earthquake. When we turned to Chief Kettmann for relief from this awful disturbance, he immediately put on more men to enforce the speed traffic laws and we of the South end, are very grateful to him and his force for cooperation.

We hope our City Council and Highway department will work out a solution to re-route trucks and busses, stopping the nuisance and danger to pedestrians who enjoy a walk on Palm Canyon, but have no sidewalks south of Ramon road.

We are proud of Palm Springs and enjoy the natural beauty for which it is known all over the U.S.A. It is up to all Palm Springs business people, residents and its city fathers to keep it clean and peaceful, so we will encourage visitors to the most wonderful resort, Palm Springs. HOTEL AND HOME OWNERS OF THE SOUTH END.

By Mrs. Leib Rosen.

Wants Stop Sign

I agree with your writer that something should be done about the dangerous intersection of

Indian and Palm Canyon drive and am glad to note that the traffic islands are being installed.

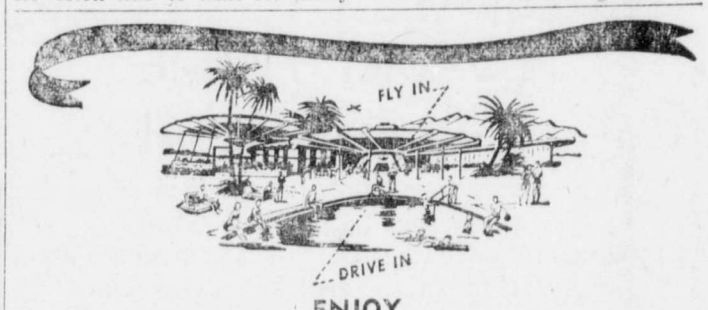

The thought came to me—perhaps it has already been done—that an added safety feature would be a stop sign for northbound Palm Canyon drive traffic.

Then Indian avenue northbound traffic and Palm Canyon southbound traffic which do not interfere could proceed unimpeded but northbound Palm Canyon

and southbound Indian avenue traffic, which cross, would both be stopped, allowing for orderly control of both. At present, on busy days and holidays, southbound Indian avenue traffic often has to wait for many
